Hagafen Cellars

v.

Tuuri Wines, LLC dba DaMa Wines

By the Trademark Trial and Appeal Board:

On December 2, 2017, Applicant filed an abandonment of its involved application Serial No. 87374392.¹

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because Opposer's written consent to the abandonment is not of record, judgment is entered against Applicant, the opposition is sustained and registration to Applicant is refused.

¹ Applicant's submission indicates service upon Opposer by first-class mail. Pursuant to an amendment of Trademark Rule 2.119 (effective January 14, 2017), service must be made by email unless the parties have stipulated otherwise. When the parties have stipulated to an alternative means of service, the best practice is to state such in the certificate of service. Applicant should be aware of this requirement. The Board exercises its discretion to consider the filing. However, strict compliance is required in all future submissions filed with the Board.
