Opposition No. 91239140

Sequel Naturals ULC

v.

VEGO Good Food GmbH

By the Trademark Trial and Appeal Board:

On April 22, 2020, in lieu of an answer, the parties filed Applicant's proposed amendment to its application Serial No. 79185159 and Opposer's withdrawal of the opposition with prejudice, contingent upon entry of the amendment.¹ The written consent of each party is noted.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Class 29 (deletions in strikethrough):

From: ~~Frozen, dried and cooked fruits and vegetables~~; jellies, jams, compotes; processed fruits, all of which exclude animal ingredients

To: Jellies, jams, compotes; processed fruits, all of which exclude animal ingredients

¹ It is noted that the involved application is also the subject of Opposition No. 91240166 and that the same amendment was proposed with the consent of the opposer in that proceeding.

Opposition No. 91239140

Because the amendment is limiting in nature, as required by Trademark Rule 2.71(a), and Applicant has obtained the consent of all opposers to the application, the amendment is **approved** and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is **dismissed** with prejudice.
