Tat Lee,

Applicant.

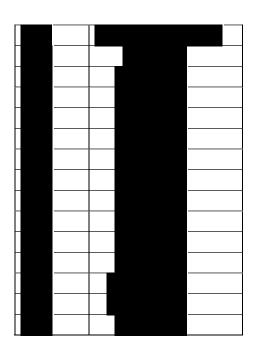

DECLARATION OF BILL LUTH

I, Bill Luth, make the following Declaration under penalty of perjury and pursuant to 37 C.F.R. § 2.20:

- 1. I am the Executive Vice President of Global Store Operations at Sterling Jewelers Inc. ("Sterling"). I have worked at Sterling in various capacities for over twenty (20) years and have responsibility for the goods and services sold and advertised under the KAY Marks as defined in Sterling's Notice of Opposition. In that capacity, I am familiar with Sterling's policies and practices regarding its business and its trademarks. I am additionally familiar with the facts of this case and am competent and authorized to make this Declaration on behalf of the Opposer. The facts set forth below are known to me personally or based upon my review of records kept by Sterling in the ordinary course of business.
- 2. According to my search of the WayBack Machine at < https://archive.org/web/, the www.kay.com website has been active since at least as early as March 2002. Attached as Exhibit A is a true and correct printout of the WayBack Machine result for www.kay.com.

- 3. Consumers have been able to purchase jewelry and jewelry-related services on the www.kay.com website since at least as early as September 2006.
- 4. Consumers of the KAY brand may purchase jewelry in KAY retail stores or through the www.kay.com websites. Sterling earns substantial revenues from jewelry goods purchased on the internet. Below is a true and correct chart showing the revenue from Internet purchases of the KAY brand from 2007 to the present. Although Sterling has been unable to retrieve sales records prior to 2007 due to age, I am personally aware and can recall that Sterling's revenue from internet sales in the five years preceding 2007 were close and comparable to the sales years shown on this chart. **BEGIN:

5. Sterling also offers a substantial number of jewelry items for men and has offered such items since at least as early as 2005. As of October 8, 2019, the <<u>www.kay.com></u> website shows 2,273 items that are identified as "men's." Attached as Exhibit B is a true and correct

screenshot of the search results on the <<u>www.kay.com></u> website for "men's" items. This number of items far exceeds the total number of items that I counted on the entire <<u>www.titaniumkay.com</u>> website, approximately 700 as of October 8, 2019.
