MOTION TO AMEND APPLICATION WITH CONSENT

Applicant Sabinsa Corporation, by its undersigned attorneys, hereby requests that the Trademark Trial and Appeal Board grant approval to amend its application under 37 C.F.R. § 2.133(a). Applicant wishes to amend the identification of goods in International Class 5 of its application so that the identification of goods reads as follows (text to be deleted is struck through and text to added is in italics):

Dietary and nutritional supplements; ~~Dietary and nutritional supplements used for weight loss~~; Dietary food supplements; Dietary supplements; Dietary supplements for human consumption; Dietary supplements for humans and animals; Natural dietary supplements; Nutraceuticals for use as a dietary supplement, *all of the foregoing containing Forskolin and Garcinol as essential ingredients, and sold on a non-prescription basis for weight loss*

Opposer has consented to Applicant's amendment to the Class 5 identification of goods. This request is being made for the purpose of resolving pending Opposition No. 91239766. The requested amendment limits, rather than expands, the goods covered by the subject application, and should therefore be acceptable. Accordingly, Applicant

respectfully requests that the Board enter the requested amendment to the subject application.

Respectfully submitted,

SABINSA CORPORATION
