Opposition No. 91239896

Hanna-Barbera Productions, Inc.

v.

Marina Vape, LLC

By the Trademark Trial and Appeal Board:

On April 27, 2018, Applicant filed an abandonment of its application Serial No. 86817195 with prejudice.¹

Trademark Rule 2.135 provides that if, in an *inter partes* proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because Opposer's written consent to the abandonment is not of record, judgment is hereby entered against Applicant, the opposition is sustained and registration to Applicant is refused.

¹ The Board notes that Applicant's submission was not accompanied by a certificate of service. Applicant is advised that filings with the Board must include proof of service of the filing on its adversary, as required by Trademark Rule 2.119(b). Counsel should be aware of this requirement. The Board exercises its discretion to consider the filing. However, strict compliance is required in all future submissions filed with the Board. A copy of the filing can be viewed using TTABVUE at <http://ttabvue.uspto.gov>.
