**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

Serial No.: 79/202,387

Mark:  **SUN MEDICAL**

SUN PHARMACEUTICAL INDUSTRIES)
LIMITED,)

Opposer,)

v.)

SUN MEDICAL KABUSHIKI KAISHA CORP.,)

Applicant.)

Opposition No. _____

NOTICE OF OPPOSITION

Opposer, Sun Pharmaceutical Industries Limited, believes it would be damaged by

registration of the mark  **SUN MEDICAL** (“Applicant’s Mark”), depicted in U.S. Application Serial No. 79/202,387 (the “Application”), filed May 18, 2016, by Sun Medical Kabushiki Kaisha Corp. (“Applicant”). Accordingly, Sun Pharmaceutical Industries Limited hereby opposes registration of Applicant’s Mark, and as grounds for opposition alleges as follows:

1. Opposer, Sun Pharmaceutical Industries Limited, is a limited liability company with an address at 17/B, Mahal Industrial Estate, Mahakali Caves Road, Andheri-East, Mumbai India 400093.

2. Opposer, itself or through related subsidiaries or affiliates, is engaged in the business of manufacturing and marketing, among other things, pharmaceutical products, and has been engaged in these activities for many years.

3. Opposer owns federal trademark registrations for various trademarks that include the word “Sun” (the “**SUN Marks**”). The SUN Marks are registered for use in connection with pharmaceutical products. These registrations include the following:

Mark	Registration No.	Filing Date
	4,706,976	May 13, 2014
	5,212,252	July 1, 2016
SUN PHARMA	5,410,731	March 30, 2017

(the “**SUN Registrations**”). True and correct copies of printouts from the TSDR database of the United States Patent and Trademark Office showing the current status and title of the SUN Registrations are attached hereto as **Exhibit A**.

4. The SUN Registrations are valid, subsisting, and in full force and effect.

5. Opposer, either directly or through related subsidiaries or affiliates, uses the SUN Marks in the United States in connection with pharmaceutical products with broad health care applications and uses.

6. Through extensive use in the United States and elsewhere, Opposer has acquired significant common-law rights in the SUN Marks in connection with pharmaceutical products.

7. On information and belief, Applicant is a Japanese corporation with an address at 571-2, Furutaka-Cho, Moriyama-Shi Shiga 524-0044, Japan.

8. On May 18, 2016, Applicant filed the Application to register Applicant's Mark in the USPTO for the following goods in Class 5:

Dental cement of resin; denture adhesives; fillings for teeth; composite resin for dental use namely, dental impression materials; dental prosthetic materials, namely, dental veneers, crowns, and bridges for dental and dental technical purposes; sealing agents for dental purposes, namely, dental desensitizers and teeth protectors; other dental materials, namely, dental abrasives, dental polish, and medicated dental rinse; diagnostic preparations for clinical or medical laboratory use; biological bone, skin, and teeth tissue intended for subsequent implantation

(“Applicant's Goods”).

9. Opposer's rights in the SUN Marks arose prior to any rights that Applicant has in Applicant's Mark.

10. Applicant's Mark () is similar to Opposer's SUN Marks in sight, sound, and commercial impression. “Sun” is the dominant portion of Applicant's Mark and the SUN Marks because the remaining terms, medical and pharma, are descriptive. Indeed, Applicant expressly disclaimed the exclusive right to use “medical” apart from the entirety of Applicant's Mark. Further, in Applicant's Mark, “Sun” is preceded by a design element similar to the design in two of Opposer's SUN Registrations.

11. Applicant seeks to register Applicant's Mark in connection with services that are closely related to the goods Opposer offers under its SUN Marks and that are covered by the SUN Registrations.

COUNT I
(Likelihood of Confusion)

12. Opposer realleges and incorporates herein by reference the matters alleged in Paragraphs 1 through 11.

13. Applicant's Mark so resembles Opposer's SUN Marks in sound, sight, and commercial impression as to be likely, when applied to Applicant's Goods, to cause confusion, mistake, or deception by causing the public to believe that Applicant's Goods originate from, or are otherwise sponsored or endorsed by, Opposer in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d), with consequent damage to Opposer and the public within the meaning of 15 U.S.C. § 1063(a).

REQUEST FOR RELIEF

14. For at least the foregoing reasons, Opposer believes it would be damaged by the registration of Applicant's Mark and respectfully requests that this Opposition be sustained and that registration of Applicant's Mark be denied.

Dated: March 12, 2018

Respectfully submitted,

/Stephen P. Benson/
One of the attorneys for Opposer
