Opposition No. 91240410

Blair LLC

v.

Peter-Blair Inc.

By the Trademark Trial and Appeal Board:

On June 21, 2018, Applicant filed a proposed amendment to application Serial No. 87527185, with Opposer's consent, and Opposer's withdrawal with prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Class 35 from "Retail men's clothing store services" to "Retail men's clothing store services, excluding all online sales, except for online sales of neckties, bow ties, cummerbunds, pocket squares, belts, and men's socks."

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered.¹ See Trademark Rule 2.133(a).

¹ The identification of goods in International Class 25 remains unchanged.

Opposition No. 91240410

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed with prejudice.
