Opposition No. 91240520

*Omega Capital Management, LLC*

*v.*

*F.N.B. Corporation*

**Mary Beth Myles, Interlocutory Attorney:**

Proceedings are suspended pending disposition of Opposer's motion to compel discovery responses and motion to test the sufficiency of responses to requests for admission, each filed May 21, 2020, except as discussed below. The parties should not file any paper that is not germane to the motion to compel or motion to test the sufficiency of responses to requests for admission. *See* Trademark Rule 2.120(f)(2).

The parties may not serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board. The filing of the motion to compel disclosure or discovery shall not toll the time for a party to comply with any initial disclosure requirement, or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition. If the motion to compel was filed after the close of discovery, the parties need not make pretrial disclosures until directed to do so by the Board. *See* Trademark Rule 2.120(f)(2); TBMP § 523.01.
