Opposition No. 91240982

Information Builders, Inc.

v.

Lead Liaison LLC

By the Trademark Trial and Appeal Board:

On November 21, 2018, Applicant filed the parties' stipulation comprising a proposed consented amendment to Applicant's application Serial No. 87648530, and Opposer's withdrawal of the opposition without prejudice, contingent upon entry of the amendment. By the proposed amendment, Applicant seeks to amend the recitation of services in International Class 42 as follows (deleted wording is stricken, and added wording is in bold):

from:

~~Computer software consulting; Consulting services in the field of software as a service (SAAS); Design, development and implementation of software; Software as a service (SAAS) services featuring software for customer relationship management (CRM), lead tracking, task management, customer database management, sales planning, document creation, document~~

management, and data entry; Technical support services, namely, troubleshooting of ~~computer software~~ problems.

to:

Web-based application consulting; Consulting services in the field of **interactive web-based applications**; Design, development and implementation of **on-line non-downloadable, interactive, web-based applications**; **On-line non-downloadable, interactive, web-based applications** for customer relationship management (CRM), lead tracking, task management, customer database management, sales planning, document creation, document management, and data entry; Technical support services, namely, troubleshooting of **web-based applications** problems.

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
