Opposition No. 91241083

*Rebecca Curtin*

*v.*

*United Trademark Holdings, Inc.*

**Michael Webster, Interlocutory Attorney:**

On April 6, 2021, Opposer filed a renewed motion for summary judgment. The motion is timely pursuant to Trademark Rule 2.127(e)(1). In view of the parties' stipulation to extend Applicant's time to respond to Opposer's prior motion for summary judgment until May 25, 2021, the Board considers the stipulation with respect to the renewed motion. Thus, Applicant is allowed until **May 25, 2021** to file a brief in response to the motion for summary judgment.

When a party timely files a potentially dispositive motion, the proceeding is suspended with respect to all matters not germane to the motion, and no party should file any paper which is not germane to the motion except as otherwise may be specified in a Board order. *See* Trademark Rule 2.127(d). Accordingly, as of the filing date of the motion for summary judgment, proceedings are **suspended** pending

disposition of the motion. Any paper filed during the pendency of this motion which is not germane thereto will be given no consideration. *See* Trademark Rule 2.127(d).

In addition to tolling the time to respond to outstanding discovery requests, suspension of proceedings tolls the time for parties to make required disclosures. *See* TBMP § 528.03.

The motion for summary judgment will be decided in due course.
