Opposition No. 91241273

Dana Alexander Inc.

v.

Trinidad Benham Corporation

Christen M. English, Interlocutory Attorney:

On July 19, 2018, Applicant filed a motion to amend its involved application Serial No. 87562384, with Opposer's consent. By the proposed amendment, Applicant seeks to amend the identification of goods to add the language shown in bold below:

Protein enriched powdered starch, namely, powdered pea starch, powdered bean starch and powdered rice starch **intended for sale to commercial customers.**

Because the amendment is limiting in nature, as required by Trademark Rule 2.71(a), and because Opposer consents thereto, the amendment is approved and entered. Trademark Rule 2.133(a).

If the amendment resolves this proceeding, Opposer is allowed until **thirty days** from the date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. Trademark Rule 2.106(c). If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
