JOINT MOTION TO SUSPEND

The parties respectfully request that these proceedings be suspended for a period of ninety (90) days, to enable continued settlement discussions, subject to the right of either party to request resumption at any time.

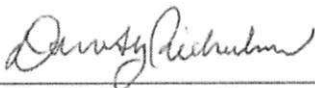

The parties remain engaged in ongoing settlement negotiations and appear to have narrowed in principle, the outstanding issues. The remaining issues relate primarily to the nature and scope of use and registration of the mark at issue. Since the last suspension request, Applicant conveyed written comments concerning aspects of Opposer’s latest proposed draft settlement agreement. Opposer, in turn, responded in writing and invited Applicant to propose alternate language to address its expressed concerns.

The parties resultantly request that these proceedings be suspended and that dates be reset as indicated below:
