Request to Accept Late Filing

Tracking No.: ESTTA1098632

1. On November 30, 2020, the defendant served Plaintiff a copy of all of his closing trial disclosures. However, when he attempted to submit those same files through the ESTTA, website, he experienced several technical glitches. While trying to submit the file, the site generated an error message asking him to "identify the party." However, identifying a party was required before submission. The defendant then saved his work in an attempt to resubmit. Because of the website's technical difficulties, he ran out of space and time to

submit his exhibits; therefore, he submitted only the fully uploaded documents. Upon his submission, there was another technical glitch. The confirmation filing receipt on the screen was the filing receipt of someone else's. Defendant has attached as proof. The defendant further emailed the trial board and later followed up with a phone call to speak to a live representative for technical assistance. He was able to get resolved and will submit a continuation of his exhibits to the file. The defendant asks of this court to grant acceptance of his late filing without prejudice.

Respectfully Submitted,
