Opposition No. 91242728 (Parent Case)
Opposition No. 91242944

Louisiana Spirits, LLC

v.

Serio Southern Spirits, LLC

Veronica P. White, Lead Paralegal Specialist:

On July 31, 2020, Applicant filed with the Board a copy of a communication received from Opposer indicating the specifics of the parties' agreement.¹

Applicant is advised that the mere filing of an agreement between the parties indicating Applicant's willingness to abandon its involved applications is not sufficient for the Board to take action in this proceeding. If the parties have settled and wish to have the Board take action on this opposition proceeding, a proper withdrawal of application should be filed.

¹ Applicant's submission does not include proof of service, as required by Trademark Rule 2.119(b). Applicant should be aware of this requirement. Strict compliance is required in all future submissions filed with the Board. A copy of the filing can be viewed using TTABVUE at <http://ttabvue.uspto.gov>.

The Board refers Applicant to TBMP Chapter 600 (“Withdrawal; Settlement”), generally, and as appropriate, for guidance in preparing a filing upon which the Board may take action. Applicant is further referred to TBMP § 602.01 (2020).

Applicant is allowed until **THIRTY (30) DAYS** from the date hereof in which to file a proper withdrawal of application.² If no response is filed, proceedings will be resumed and the appropriate trial dates will be reset.

Proceeding are otherwise suspended pending a response.

² It is recommended that Applicant provide Opposer’s written consent and clearly articulate how the parties agree to have the opposition dismissed (with prejudice, without prejudice) to avoid any misunderstanding.
