Opposition No. 91243795

*Bitmain Technology Limited and Bitmain
Technologies Inc.*

v.

Shenzhen Mayichuangpin Kejiyouxiangongsi

By the Trademark Trial and Appeal Board:

On April 25, 2022, Opposers filed a consented motion to substitute current Opposers Bitmain Technology Limited and Bitmain Technologies Inc. with Bitmain Technologies Limited, Antpool Technologies Limited, and Beijing Phastran Technologies Limited as Opposers in this case.¹ Opposers have filed the following assignments:

1. Assignment of Bitmain Technologies Limited's pleaded Registrations Nos. 4708234 and 4708056 for the marks ANTMINER and Design to Bitmain Technologies Limited, as evidenced by the documents recorded in the Office's

¹ The present motion and Opposers' Notice of Reliance, filed on April 24, 2022, do not meet the Board's filing criteria. Specifically, the submissions fail to meet the following criteria: submission must be easily read on a computer screen, *i.e.*, pages/evidence oriented to read/view from top to bottom. *See* Trademark Rule 2.126. In view thereof, Opposers are advised that future submissions with attachments must read/view from top to bottom, or the submission will not be considered. *See* TBMP § 106.03.

Assignment Services Division at Reel 6563, Frame 0160 on December 27, 2018, and Reel 7170, Frame 0108 on January 26, 2021;

2. Assignment of Bitmain Technologies, Inc's pleaded application no. 79211051, which matured into Registration No 5634859 on December 25, 2018, and its pleaded application no. 79975406 (child of application no. 79211051) for the marks ANTPOOL and design to Antpool Technologies Limited. As these ANTPOOL applications and registrations were filed under Section 66A, the assignments were first recorded at the International Bureau through Chinese law firms and then forwarded to the USPTO. Documents evidencing these transfers have been recorded in the Office's Assignment Services Division at Reel 7592, Frame 0639 on October 4, 2018, Reel 7616, Frame 0835 on April 1, 2021, and Reel 7621, Frame 0905 on October 7, 2021; and
3. Assignment of Bitmain Technologies Inc.'s pleaded application no. 87786315 for ANTBOX and design to Beijing Phastran Technologies Limited. The documents evidencing these transfers have been recorded in the Office's Assignment Services Division at Reel 7170, Frame 0064 on January 26, 2021 and Reel 7434, Frame 0513 on September 28, 2021.

Because Applicant consents to the substitution, the motion to substitute is granted. *See* TBMP § 512.01. Accordingly, Bitmain Technologies Limited, Antpool Technologies Limited, and Beijing Phastran Technologies Limited are substituted as Opposers.
