Opposition No. 91244069

Paul Reiche III

v.

Stardock Systems, Inc.

Elizabeth A. Dunn, Attorney (571-272-4267):

The motion (filed October 10, 2018) to suspend this proceeding pending final determination of the civil action between the parties is granted as conceded. *See* Trademark Rules 2.127(a) and 2.117(a).

Accordingly, proceedings are suspended pending final disposition of *Stardock Systems, Inc. v. Reiche, et al.*, Case No. 17-cv-07025-SBA, filed in the United States District Court for the Northern District of California. Applicant's time to file an answer will be reset upon resumption of proceedings.

During the suspension period, the parties must notify the Board of any address or email address changes for the parties or their attorneys. In addition, the parties are to promptly inform the Board of any other related cases, even if they become aware of such cases during the suspension period. Upon resumption, if appropriate, the Board may consolidate related Board cases.

Within twenty days after the final determination of the civil action, the parties shall so notify the Board in writing, including a copy of any final order or final judgment which issued in the civil action, so that this proceeding may be called up for appropriate action.¹

¹ A proceeding is considered to have been finally determined when an order or ruling that ends litigation has been rendered, and no appeal has been filed, or all appeals filed have been decided and the time for any further review has expired. *See* TBMP § 510.02(b).
