v.

*Exide Technologies and Stryten Energy LLC
(formerly Stryten Manufacturing LLC)*

J. Krisp, Interlocutory Attorney:

On August 18, 2021, Applicants Exide Technologies and Stryten Manufacturing LLC filed a notice of name change for Stryten Manufacturing LLC to Stryten Energy LLC. 42 TTABVUE. The notice was accompanied by a Delaware change of name document dated August 11, 2021.

The notice indicates that “Stryen Manufacturing LLC” has changed its name. 42 TTABVUE 2. However, the record shows that “Stryten Manufacturing LLC” is of the Applicants in this proceeding. The Board presumes the reference to “Stryen Manufacturing LLC” to be a typographical error.

The change of name data has been entered into the record for this proceeding and the caption of this proceeding has been updated to reflect the name change.¹ *See* TBMP § 512.02.

Proceedings remain suspended as set forth in the Board's order dated April 8, 2021.

¹ Applicant is advised that a new owner must record the assignment, change of name, or other document affecting title with the Assignment Recordation Branch of the USPTO to ultimately obtain a certificate of registration in the name of the new owner or in applicant's new name. *See* 37 C.F.R. § 3.85.
