NOTICE OF OPPOSITION

S. C. Johnson & Son, Inc., believes it will be damaged by registration of the mark CALDERA LAB by Caldera + Lab, LLC (“Caldera + Lab” or “Applicant”), as applied for in U.S. Application Serial No. 87842002. Accordingly, S. C. Johnson & Son, Inc. (“S. C. Johnson”), by its attorneys IpHorgan Ltd, hereby opposes registration of Applicant’s applied-for mark. In support of this Notice of Opposition, S. C. Johnson states as follows:

- 1) S. C. Johnson is a Wisconsin Corporation located at 1525 Howe Street, Racine, WI 53403.
- 2) The Caldrea Company (“Caldrea”) is a wholly-owned subsidiary of S. C. Johnson (collectively, “Opposer”). Opposer owns several United States trademark registrations for its CALDREA trademarks (“CALDREA Registrations” and “CALDREA Marks”), including the following:

Trademark	U.S. Reg. No.	Filing Date	Relevant Goods
CALDREA	2576570	01/07/2000	“Household Cleaning Products, namely, all-purpose cleaning preparations, window spray cleaning preparations, bath cleaning preparations, kitchen and bath spray, and kitchen and bath scouring preparations, furniture polish and stain removers; laundry detergents; automobile and boat cleaning preparations; and hand lotions and hand soap” in Int’l Class 003

CALDREA AROMATHERAPEUTIC HOMEKEEPING	4524394	02/20/2013	“dish soap, countertop spray cleaners, all-purpose cleaner, powdered scrub in the nature of general purpose scouring powder, stainless steel spray cleaners, hand lotions, non-medicated hand balm, hand soap, detergent for household use, dryer sheets, fabric softener, stain remover, scented linen and room spray” in Int’l Class 003
CALDREA AROMATHERAPEUTIC LIVING	4633075	02/11/2013	“Dish soap, countertop spray cleaners, all-purpose cleaner, stainless steel spray cleaners, hand lotions, non-medicated hand balm, hand soap, detergent for household use, anti-static dryer sheets, fabric softener, stain remover, scented linen and room spray” in Int’l Class 003
CALDREA AROMATHERAPEUTIC BODY	4653478	02/11/2013	“hand lotions, hand soap” in Int’l Class 003

CALDREA ESSENTIAL COLLECTION	4967358	03/30/2015	“body lotion, body wash, body oil, exfoliating body scrub, hand lotion, hand balm, hand soap, countertop cleaner, dish soap” in Int’l Class 003
---------------------------------	---------	------------	--

Attached hereto as Exhibit A are true and correct copies of certificates of registration and printouts from the United States Patent and Trademark Office online database showing the current trademark status and assignment history associated with the CALDREA Registrations. These registrations are valid, subsisting, and in full force and effect.

3) Opposer filed a Declaration of Use and Incontestability under Sections 8 and 15 of the Lanham Act for Registration No. 2576570. This Declaration was accepted by the U.S. Patent and Trademark Office. Accordingly, Registration No. 2576570 is incontestable under Section 15 of the Lanham Act.

4) As a result of Opposer’s longstanding and continuous use of its CALDREA Marks, the relevant consuming public recognizes the CALDREA Marks as identifying Opposer as the source of the goods offered under the CALDREA Marks and serving to distinguish Opposer’s goods from the goods of others.

5) Opposer has expended considerable time, money, and effort advertising and promoting its CALDREA Marks throughout the United States. As a consequence of these efforts, Opposer has acquired enormous recognition for and tremendous goodwill in the CALDREA Marks.

6) Applicant Caldera + Lab is a Wyoming Limited Liability Company with a business address at 3465 N. Pines Way, Suite 104, #196, Wilson, Wyoming 83014.

7) According to the USPTO's records, Teton Organic, LLC ("Teton"), filed the CALDERA LAB application, U.S. Serial No. 87842002 ("CALDERA LAB Application"), on March 20, 2018, under Trademark Act Section 1(b) in connection with the following goods and services:

International Class 03:

Bath soaps; Body oils; Deodorants for body care; Hair oils; Hair shampoos and conditioners; Lip balm; Perfumes and colognes; Skin cleansers; Sunscreen preparations; Non-medicated serums for use on face and eyes; Non-medicated skin care preparations; hands, face and body moisturizers

International Class 05:

Acne treatment preparations

International Class 35:

On-line retail store services featuring face, body and hair products, dietary supplements, vitamins and protein bars

8) According to the USPTO's records, subsequent to Teton's filing of the CALDERA LAB Application, Teton assigned all interest in the CALDERA LAB Application to Caldera + Lab, LLC. The assignment was executed on July 20, 2018, and recorded in the USPTO on July 24, 2018.

9) On information and belief, Teton and Caldera + Lab share at least one principal, Jared L. Pobre, and have the same business address.

10) The CALDERA LAB Application was published for opposition on September 4, 2018.

11) Opposer has not consented to Caldera + Lab's use or registration in the U.S. of the CALDERA LAB Mark.

12) Opposer believes it will be injured by registration of the CALDERA LAB Mark in connection with all the Class 3 goods and certain of the Class 35 services, namely, On-line retail store services featuring face, body and hair products, identified in the CALDERA LAB Application.

Priority

13) Opposer's CALDREA Registrations have filing dates, registration dates, and first use dates that long precede the filing date of the CALDERA LAB Application. In addition, the CALDREA Marks have been in continuous use in U.S. commerce since long before the filing date of the CALDERA LAB Application. The CALDREA Registrations and CALDREA Marks therefore have priority over the CALDERA LAB Application.

Grounds For Opposition

Likelihood Of Confusion

14) Applicant, in its application for CALDERA LAB, disclaimed "LAB".

15) For this reason, and because "CALDERA" is the first element of the CALDERA LAB Mark, "CALDERA" is the dominant portion of the applied-for mark.

16) The "CALDERA" portion of Caldera + Lab's CALDERA LAB Mark consists of seven letters, as does Opposer's CALDREA Mark and the first and dominant "CALDREA" element of Opposer's cited CALDREA-formative Marks.

17) The CALDREA Marks and CALDERA each consist of the same seven letters and in the same order, with the exception of the “R” and “E”, which are reversed in the applied-for mark.

18) As a result, the parties’ marks are highly similar in appearance.

19) And because the CALDREA Mark and CALDERA start with the same four-letter sequence – CALD – and end with the letter “A”, they sound highly similar as well.

20) Caldera + Lab’s CALDERA LAB Application identifies Class 3 goods, including bath soaps, body oils, skin cleansers, non-medicated serums for use on face and eyes, non-medicated skin care preparations, and hands, face and body moisturizers, which are identical and highly related to Class 3 goods identified in the CALDREA Registrations, which include hand lotions, hand soap, non-medicated hand balm, body lotion, body wash, body oil, and exfoliating body scrub.

21) Moreover, the goods identified in the CALDERA LAB Application are in the likely zone of expansion for goods sold by Opposer under the CALDREA Marks.

22) Given the identical and highly related nature of the goods identified in Caldera + Lab’s CALDERA LAB Application and the goods identified in the CALDREA Registrations, these goods are likely to be marketed and sold to the same consumers and move in the same channels of trade.

23) Because the CALDREA Registrations and Caldera + Lab’s CALDERA LAB Application identify identical and highly related goods, and those goods will be marketed and sold to the same class of consumers in the same channels of trade, the

connotation of and commercial impression conveyed by the CALDREA Marks and CALDERA LAB Mark are identical or highly similar.

24) In addition, the CALDERA LAB Application identifies certain Class 35 services, namely, on-line retail store services featuring face, body and hair products, which are highly related to the Class 3 and certain Class 21 goods identified in the CALDREA Registrations.

25) Registration of the CALDERA LAB Mark will therefore impair Opposer's exclusive right to use the CALDREA Marks in connection with the goods identified in the CALDREA Registrations and offered for sale by Opposer in U.S. commerce. Further, registration of the CALDERA LAB Mark will diminish the tremendous goodwill accrued by Opposer in the CALDREA Marks.

26) Owing to the following: (1) Opposer's use of and priority of rights in the CALDREA Marks; (2) the high similarity between the CALDREA Marks and CALDERA LAB Mark in appearance, sound, connotation, and commercial impression; (3) the identical and highly related nature of goods and services; and (4) the broad exposure of the CALDREA Marks to the same consumers in the same markets and channels of trade as those implicated by Caldera + Lab's applied-for mark, CALDERA LAB so resembles the CALDREA Marks as to be likely to cause confusion or mistake, or to deceive, within the meaning of 15 U.S.C. § 1052(d).

27) Applicant's CALDERA LAB Application should therefore be denied in part under 15 U.S.C. § 1052(d) on the ground of likelihood of confusion.

Conclusion

28) For the foregoing reasons, Caldera + Lab's CALDERA LAB Application should be denied registration, under 15 U.S.C. Section 1052(d), as to all Class 3 goods and certain Class 35 services, namely, On-line retail store services featuring face, body and hair products.

WHEREFORE, Opposer requests that this Notice of Opposition be sustained and that U.S. Trademark Application Serial No. 87842002 for CALDERA LAB be refused registration as to the goods and services identified in Paragraph 28.

Dated: December 4, 2018

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
