APPLICANT Ningbo Panera Lighting Co., Ltd.'s ANSWER TO Louis Poulsen A/S 's NOTICE OF OPPOSITION

Ningbo Panera Lighting Co., Ltd. ("Applicant") hereby answers the Notice of Opposition("Opposition") against U.S. Trademark Serial No. 87/907,482 of "PANERA LIGHTING" in classes 9 and 11("Subject Trademark") filed by Louis Poulsen A/S("Opposer") as follows:

Applicant answers the below numbered paragraphs of the Opposition as follows:

- 1. Admit. Applicant admits U.S. Trademark Serial No. 87/907,482 speaks for itself.
- 2. Admit. Applicant admits U.S. Trademark Serial No. 87/907,482 speaks for itself.
- 3. Admit. Applicant admits U.S. Trademark Serial No. 87/907,482 speaks for itself.
- 4. Admit. Applicant admits U.S. Trademark Serial No. 87/907,482 speaks for itself.

- 5. Denied. Applicant is without information or knowledge sufficient to form a belief as to the truth or falsity of the allegations of this paragraph of the Opposition, and therefore denies such allegations.
- 6. Admit. Applicant admits the Opposer's U.S. Trademark Registration No. 5102368 speaks for itself.
- 7. Admit. Applicant admits the Opposer's U.S. Trademark Registration No. 5102368 speaks for itself.
- 8. Denied. Applicant is without information or knowledge sufficient to form a belief as to the truth or falsity of the allegations of this paragraph of the Opposition, and therefore denies such allegations.
- 9. Denied. Applicant is without information or knowledge sufficient to form a belief as to the truth or falsity of the allegations of this paragraph of the Opposition, and therefore denies such allegations.
- 10. Admit.
- 11. Denied. Applicant's Subject Trademark is not likely to cause confusion, mistake, or to deceive the purchasing public because the Subject Trademark is not similar to the Opposer's U.S. Trademark Registration No. 5102368 while used under the goods covered by both the Opposer and Applicant's trademarks.
- 12. Denied. The registration of Applicant's Subject Trademark shall not violate the Opposer's trademark rights since the trademarks owned by the two parties are not similar trademarks and no confusion is likely to be made to public.

PRAYER FOR RELIEF

Wherefore, Ningbo Panera Lighting Co., Ltd. prays that Louis Poulsen A/S's Notice of Opposition is denied and rejected in its entirety, and that the opposition is sustained in favor of Applicant and registrations to Applicant are granted.

AFFIRMATIVE DEFENSES

- 1. The trademarks owned by the two parties are not similar, and there is no likelihood of confusion.
- 2. The marks are dissimilar as to appearance, sound, connotation and

commercial impression.

- 3. There is no likelihood of confusion, mistake, or deception between Opposer's trademark and Applicant's trademark.
- 4. There is no likelihood of confusion as to the source of the goods. A reasonable consumer would not be confused as to source.
- 5. There is no evidence of actual confusion, and the evidence submitted in the answer to the opposition shows that the client used the trademark as

"www.paneralighting.com" or "www.paneralighting.com", which is quite different from the

Opposer's trademark.

- 6. Applicant's goods are not distributed or marketed to the same or similar class of purchasers or in the same or similar channels of trade as Opposer.
- 7. Applicant reserves the right to assert and pursue additional affirmative defenses.

Certificate of Service

The undersigned hereby certifies that a copy of this filing has been served upon all parties, at their address of record by Email on this date.

Respectfully submitted,

Date: <u>April 25, 2019</u>

NINGBO PANERA LIGHTING CO., ETD.

Focused on manufacturing of LED Sphilug, Paneta Lighting can serve the costomers consider light volutions for domestic and commercial use.

Paneta Lighting pay much attention to the following decayse factors to successful competition with sustainers.

Quality is alwars the potenty to consider to Paneru-AT the Sightings are produced in our ISO9001 country-system-accredited factors therefore are subject to subject managering quality control procedures. Targeted the worklevide markets, all the Taghting products are manufactured and network according to the contained international applicable.

Innovation is no iess important than any other factors nowaders to stand in the competitive market. Paneta Lighting is becoming one of the pionees comparises in the industry with our cestome-crimical concept, lineovation know-how and creative 860 team.

Price with competitiveness however is always our larget to reach. We devote a great importance to inducing our management costs, production costs, rather than merely seeking the chesarest source of materials or components. Our principle is to provide grout quality products with missonable pices.

Service has became more and more decisive than ever. Panera Lighting has empyed assat from customers because we offer nor sink the high quality products har also the value-added services. We keep in mind that customers need not only a product, in most cases, they need a partner is get developed together. We storm to the customers, solve more feedback, response in 24 hours, definer in partnal time.

Quality innovation Price and Sensice: Our again to accomplish all the task. We appreciate every chance to establish with von cooperation with all the cooperates.
