**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

SONY CORPORATION Opposer v. NEIL CAMPBELL Applicant	Opposition No. 91245851 Application Serial No. 87882260 Mark: SONISTREAM Filed: April 18, 2018
---	---

APPLICANT’S NOTICE OF RELIANCE NO. 3 UNDER 37 CFR § 2.122(e)

Pursuant to Trademark Rule 2.122(e) and TBMP § 704.08, Applicant Neil Campbell submits of record in connection with this opposition proceeding certain “Internet Materials” under Trademark Rule 2.122(e), showing Google search results for four other marks for products related to sound that begin with the same “Soni” letter sequence as SoniStream. Each attached file containing the search results was captured on 04-19-2021:

1. Sonicare (sonic electric toothbrush) “sonicare - Google Search.pdf”
2. Sonible (brand of audio processors) “sonible - Google Search.pdf”
3. Sonifex (brand of audio electronics for broadcasters) “sonifex - Google Search.pdf”
4. SoniGuard (soundproofing ceiling tiles) “soniguard - Google Search.pdf”

This notice also includes this file:

“U.S. _ brands of power toothbrushes used 2020 _ Statista.pdf” captured on 04-19-2021, URL:
<https://www.statista.com/statistics/278172/us-households-brands-of-power-toothbrushes-used/>

The search results are relevant in DuPont likelihood of confusion analysis (factor 6) to show no likelihood of confusion with, or dilution of, the SONY marks by SoniStream. The 12 million search results for Sonicare and the statistic shown in the Statistica.com file that over 34 million US consumers use the Sonicare product, in particular, are evidence that similar marks have led to no confusion with or dilution of the SONY marks.

Respectfully submitted,

Date: 01/19/2021

/NEIL CAMPBELL/
CERTIFICATE OF SERVICE

I certify that a true and accurate copy of the foregoing APPLICANT'S NOTICE OF RELIANCE NO. 3 UNDER 37 CFR § 2.122(e) was served Sony Corporation by forwarding said copy on 19 April 2021, via email to: Judy.Valusek@finnegan.com, mark.sommers@finnegan.com, and Naresh.Kilaru@finnegan.com.

Date: 19 April 2021 By: NEIL CAMPBELL

Brands of power toothbrushes used in the U.S. 2020

Published by [Statista Research Department](#), Nov 13, 2020

This statistic shows the brands of power toothbrushes used most often in the United States in 2020. The data has been calculated by Statista based on the U.S. Census data and Simmons National Consumer Survey (NHCS). According to this statistic, 47.21 million Americans used Oral-B Powered By Braun in 2020.

U.S. population: Which brands of power toothbrushes do you use most often?

Details: United States; Statista (based on MRI-Simmons data); 2020; among users of power toothbrushes
