Opposition No. 91246063

Novatel Inc.

v.

Novares Group

J. Krisp, Interlocutory Attorney:

Proceedings are suspended pending disposition of Opposer's motion, filed July 23, 2019, to compel initial disclosures, except as discussed below. The parties should not file any submission that is not germane to the motion to compel initial disclosures. *See* Trademark Rule 2.120(f)(2).

The parties may not serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board. The filing of the motion to compel disclosure or discovery shall not toll the time for a party to comply with any initial disclosure requirement, or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition. If the motion to compel was filed after the close of discovery, the parties need not make pretrial disclosures until directed to do so by the Board. *See* Trademark Rule 2.120(f)(2); TBMP § 523.01 (June 2019).

The motion to compel initial disclosures will be decided in due course.¹

¹ Applicant's change of correspondence filed July 24, 2019 is noted and entered.
