Opposition No. 91246293

Ibrahim M. Nasser

v.

Kevin A. Broten

Andrew P. Baxley, Interlocutory Attorney:

In accordance with the Board's April 17, 2019 order, 6 TTABVUE, Opposer, on April 23, 2019, filed an amended notice of opposition, 7 TTABVUE. The amended notice of opposition is accepted as the operative complaint herein.

A review of that amended pleading indicates that Opposer served it on Applicant by first class mail. Because the amended pleading does not indicate that Applicant stipulated to service by mail or that service could not be made by email due to technical problems or extraordinary circumstances, it should have been served by email. *See* Trademark Rule 2.119(b); 6 TTABVUE 3. In view of the improper service of the amended notice of opposition, the Board finds that resetting Applicant's time to file an answer to the amended notice of opposition is appropriate.

Applicant is allowed until **twenty days** from the date set forth in this order to file answer to the amended notice of opposition. Dates herein otherwise remain as last reset in the April 17, 2019 order.
