Opposition No. 91247343

Graco Minnesota Inc.

v.

Zhejiang Rongpeng Air Tools Co., Ltd.

Winston Folmar, Interlocutory Attorney:

It has come to the Board's attention that Opposer's motion for leave to serve additional discovery requests did effectively include all interrogatories, requests for production and requests for admissions and Opposer's proposed additional interrogatories, requests for production or requests for admission Opposer would like to seek. However, technical difficulties have delayed the Board from vacating its prior order. Accordingly, the Board **suspends** the proceedings effective immediately in order to allow the Board to re-examine Opposer's motion for leave to serve additional discovery requests.

Parties should consider the prior order of April 5, 2021 as vacated.
