 Applicant.)
_____)

Opposition No. _____

NOTICE OF OPPOSITION

Opposer, Motorola Trademark Holdings, LLC, believes that it would be damaged by registration of the “MOTOGADGET” trademark (“**Applicant’s Mark**”), depicted in U.S. Application Serial No. 87/701,933 (the “**Application**”), filed November 29, 2017, by motogadget GmbH, a German limited liability company (“**Applicant**”). Accordingly, Motorola Trademark Holdings, LLC, by and through its attorneys, hereby opposes registration of Applicant’s Mark, and as grounds for opposition alleges as follows:

1. Opposer, Motorola Trademark Holdings, LLC, is a Delaware limited liability company located at 222 West Merchandise Mart Plaza, Chicago, Illinois 60654.
2. Motorola Trademark Holdings, LLC, is a holding company for various Motorola trademarks and is responsible for licensing trademarks to Motorola Mobility LLC, among other entities. Motorola Trademark Holdings, LLC, through its predecessors in interest and licensees (together, “**Opposer**”), is a well-known, worldwide innovator and provider of many goods and services, including, but not limited to, voice and data communication products and systems (including smartphones) and related components and accessories, including, but not limited to,

batteries, chargers, and smartwatches (collectively referred to hereinafter as “**Opposer’s Goods and Services**”).

3. Since its inception in 1928, Opposer has been committed to innovation in the communications and electronics industries. Opposer has long been recognized by consumers as one of the leaders in the telecommunications industry, and Opposer’s Goods and Services are also leaders in the industry.

4. At least as early as May 1930, Opposer adopted and began using the trademark MOTOROLA in connection with goods and services in the field of electronics and communications. At least as early as May 2002, Opposer adopted and began using various MOTO-formative trademarks (MOTO is short for Motorola) in connection with goods and services related to computers, electronics, and communications. Those marks have been continuously used in the United States since those times, and, through extensive sales, advertising, and promotion, Opposer’s MOTOROLA and MOTO-formative trademarks have come to represent enormous goodwill now owned by Opposer.

5. Opposer owns all rights, title, and interest in and to the trademark MOTO for a wide range of communications devices, hardware, software, and related goods in Class 9, including, but not limited to “Telephones, cellular telephones, radio telephones, pagers, two-way radios, radio transmitters, radio receivers, radio transceivers, electronic organizers, and related accessories for the foregoing goods, namely, headsets, microphones, speakers, carrying cases, and belt clips; radio base stations, . . . analog and digital radio transceivers or receivers for data, voice, image and video communication, . . . batteries, battery chargers, power adapters, and antennas” (Reg. No. 3,402,839).

6. Opposer also owns all rights, title, and interest in and to the trademark MOTO for smartwatches in Class 14 (Reg. No. 4,757,112).

7. Opposer also owns all rights, title, and interest in and to numerous additional MOTO-formative marks, including the following, among others, which are registered on the Principal Register:

<u>Mark</u>	<u>Reg. No.</u>	<u>Filing Date</u>	<u>Goods/Services</u>
MOTOROLA	717,485	10/3/60	Earphones; headsets;...remote alarm indicating Systems,... batteries [Class 7, 9, 11, 12, 15]
MOTO X	4,516,328	5/22/2013	Mobile phones, smartphones and accessories therefor, namely, battery chargers and adapters [Class 9]
MOTO G	4,795,859	10/15/13	Mobile phones, smartphones and accessories therefor, namely, battery chargers, adapters and removable covers [Class 9]
MOTO E	4,676,726	5/9/14	Mobile phones, smartphones and accessories therefor, namely, battery chargers, adapters and removable protective covers [Class 9]
MOTO Z	5,233,764	5/17/16	Mobile phones, smartphones and accessories therefor, namely, battery chargers and adapters [Class 9]
MOTO MOD	5,624,583	7/1/16	mobile phones, smartphones; cameras, digital cameras, digital video cameras; electronic game software for electronic devices; global positioning units; ... radio

		telephones, pagers, two-way radios, radio transmitters, radio receivers, radio transceivers, electronic personal organizers, and related accessories for the foregoing goods, namely, virtual reality headsets, augmented reality headsets, headsets for smartphones and mobile computing devices, headphones, microphones, audio speakers, carrying cases for smartphones, smartphone accessories and mobile computing devices, protective cases and covers for smartphones, smartphone accessories and mobile computing devices, protective or decorative fitted plastic films known as skins for smartphones and mobile computing devices, belt clips; batteries, phone batteries, battery chargers, power adapters, and antennas; ... video projectors; wearable computer peripherals; wearable smart devices in the nature of wearable computer peripherals; apparatus for recording, transmission or reproduction of sound or images [Class 9]
--	--	--

8. The marks identified in paragraphs 5–7, are collectively referred to herein as the “**MOTO Family of Marks.**” Each of Opposer’s foregoing trademark registrations is valid, subsisting, and in full force and effect, and Registration Nos. 717,485 and 3,402,839 are incontestable within the meaning of 15 U.S.C. §§ 1065 and 1115(b). A true and correct copy of

printouts from the TSDR database of the United States Patent and Trademark Office showing the current status and title of the marks identified in paragraphs 5–7 is attached hereto as **Exhibit A**.

9. Through extensive use, Opposer has acquired significant common-law rights in its MOTO Family of Marks for use with Opposer’s Goods.

10. As a result of Opposer’s extensive use and promotion of its MOTO Family of Marks, the general consuming public in the United States has grown to recognize Opposer’s MOTO Family of Marks as a distinctive source identifier for Opposer’s Goods and Services.

11. On information and belief, Applicant is a German limited liability company, with an address at Kopenicker Strasse 145, Berlin, Germany 10997.

12. On November 29, 2017, Applicant filed the Application to register Applicant’s Mark (MOTOGADGET) in the USPTO for the following goods in Class 9, in addition to other goods and services:

Apparatus for recording, transmission and reproduction of sound and images; Computer hardware; computers; ... Batteries; ... Electric batteries; Alkaline batteries; Rechargeable batteries; ... Connecting parts for electric cables in the nature of electric connectors; ... Chronographs for use as specialized time recording apparatuses; ... Electric wires; ... Satellite navigation systems, namely, a Global Positioning Systems also known as GPS; ... Navigation apparatus for vehicles; Navigational instruments; ... Satellite-aided navigation systems; ... Computer central processing units for data processing

(the “**Opposed Goods**”).

13. Opposer’s rights in its MOTO mark and other MOTO-formative marks in the MOTO Family of Marks arose prior to any rights that Applicant may have in Applicant’s Mark.

14. Applicant seeks to register Applicant’s Mark in connection with goods that are identical in part, and closely related in part, to goods and services that Opposer offers under Opposer’s MOTO mark and other MOTO-formative marks in the MOTO Family of Marks.

15. Applicant's Mark is similar to Opposer's MOTO mark and marks in its MOTO Family of Marks in sight, sound, and commercial impression. The dominant portion of Applicant's Mark and all of the marks in Opposer's MOTO Family of Marks is "MOTO." Consumers are likely to view Applicant's Mark in connection with the Opposed Goods and mistakenly believe that Applicant's Mark is a part of Opposer's MOTO Family of Marks.

COUNT I
(Priority and Likelihood of Confusion)

16. Opposer realleges and incorporates herein by reference the matters alleged in Paragraphs 1 through 15.

17. Applicant's Mark so resembles Opposer's MOTO mark and other marks in Opposer's MOTO Family of Marks in sound, sight, meaning, and commercial impression as to be likely, when applied to the Opposed Goods, to cause confusion, mistake, or deception by causing the public to believe that the Opposed Goods originate from, or are otherwise sponsored or endorsed by Opposer.

18. Registration of Applicant's Mark in connection with the Opposed Goods would thus be in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d), with consequent damage to Opposer and the public within the meaning of 15 U.S.C. § 1063(a).

REQUEST FOR RELIEF

19. For the foregoing reasons, among others, Opposer believes that it would be damaged by the registration of Applicant's Mark (U.S. Serial No 87/701,933). Accordingly, Opposer respectfully requests that this Opposition be sustained and that registration of Applicant's Mark for the Opposed Goods be denied.

Dated: April 29, 2019

Respectfully submitted,

/Jeffrey A. Wakolbinger/
One of the attorneys for Opposer
