**CONSENTED TO MOTION TO AMEND APPLICATION AND, IF APPROVED, TO DISMISS
OPPOSITION**

Pursuant to 37 C.F.R. §2.133 and TBMP §514.02 and §605.03(b), Applicant, Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, respectfully requests that the above-captioned application be amended to narrow the recitation of goods or services to exclude the provision of courses of instruction and distribution of course material in the fields of surgery and surgical devices” amending the recitation to read as follows (with the added language underlined):

“Educational services, namely, providing courses of instruction at the college level and distribution of course material in connection therewith, excluding the provision of courses of instruction and distribution of course material in the fields of surgery and surgical devices”

Applicant respectfully submits that the requested amendment does not require republication of the Application as the requested amendment to the identification of goods or services is narrower in scope

than the published identification and does not result in a material difference in the nature of the good or services. *See* TMEP §1505.03(a).

Opposer, Intuitive Surgical Operations, Inc., consents to the requested amendment.

Upon the Board's approval of the requested amendment to the identification of good or services, the parties further stipulate to the dismissal of the instant Opposition No. 91249091.

Dated: August 21, 2020

Respectfully submitted,

/s/ Andrew Maas
