Opposition No. 91249099

Redmond, Incorporated

v.

Redmint, LLC

By the Trademark Trial and Appeal Board:

On June 11, 2021, Opposer filed a stipulated proposed amendment to Applicant's application Serial No. 88110709, and withdrawal without prejudice of the opposition, contingent upon entry of the amendment. 16 TTABVUE.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Class 5, as follows:¹

From "Beverages containing herbs for use as a nutritional supplement"

To "Beverages containing herbs for use as a nutritional supplement by humans"

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. See Trademark Rule 2.133(a).

¹ The underlined wording is proposed to be added to the identification. The goods in Classes 3 and 30, which also are the subject of the opposition, remain unchanged.

Opposition No. 91249099

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
