Opposition No. 91249209

NeoGenomics Laboratories, Inc.

v.

Rayhawk Corporation

By the Trademark Trial and Appeal Board:

On June 4, 2020, Applicant filed a proposed amendment to application Serial No. 88256754 with Opposer's consent, and Opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the recitation of services in International Class 44, as follows (proposed additions are shown in bold font):

From: Medical services

To: Medical services, **namely, hair replacement, hair enhancement, hair restoration, hair transplantation, hair cloning, and cosmetic skin care services**

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
