December 23, 2019

Opposition No. 91249248

*Open Text SA ULC*

*v.*

*Michael Transon*

**M. Catherine Faint,  
Interlocutory Attorney:**

On December 10, 2019, Applicant filed a revised proposed amendment to its application Serial No. 88194079, with Opposer's consent.

By the proposed amendment, Applicant seeks to amend the description of services,

To the following:

“Application service provider, namely, hosting, managing, developing, ~~analyzing~~, and maintaining applications, software and web sites of others; **all the foregoing specifically and only** in the fields of marketing software for ~~providing the ability to crawl~~**ing** and **find****ing** link building opportunities on external domains.”

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

If the amendment resolves this proceeding, Opposer is allowed until thirty days from the date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
