MOTION TO AMEND TO CLARIFY AND LIMIT IDENTIFICATION OF SERVICES

Comes now, Applicant under authority of TMEP Section 1402.06, 1402.06(a) and 1402.06(b), hereby respectfully requesting the Trademark Trial and Appeal Board to amend the identification of services to clarify and limit the identification of services. Specifically, Applicant submits that the identification is limited by deleting the word “analyzing” and is clarified (and further limited) by the other amendments below. Applicant hereby amends the descriptions of goods and services in the Application in compliance of TMEP 1402.6, to the following:

“Application service provider, namely, hosting, managing, developing, ~~analyzing~~, and maintaining applications, software and web sites of others, all the foregoing specifically and only in the fieldsof marketing software for ~~providing the ability to crawling~~ and finding link building opportunities on external domains.”

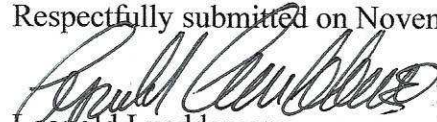

Therefore, applicant respectfully requests that an amendment of the identification of goods and services be issued in this case.

Respectfully submitted
