MOTION TO EXTEND TIME

In accordance with 509.01(a) of the TBMP, Applicant requests that the Board grant an extension of time for Applicant to answer Petitioner's Notice of Opposition for the following good cause:

1. Applicant wishes to attempt to settle this matter and requires time to attempt to do that.
2. Applicant's current firm does not have the resources for litigation and time is needed to secure the services of a litigation firm if negotiations fail.

For the above reasons, Applicant requests that the Board grant an extension of time to file its Answer.
