XX (BY ELECTRONIC MEANS) I am "readily familiar" with our firm's practices for serving documents electronically by which these documents were served. Pursuant to that practice, a PDF copy of the document(s) was/were prepared and then sent as an attachment by e-mail to the last known e-mail address of each recipient identified above. I have a good faith belief that each recipient identified above has consented, either in writing or by effect of court rule, to receiving service through such electronic means. If our firm learns that the e-mail did not reach any of the recipients identified above, our practice is to then make arrangements to send the documents again as soon as possible to that recipient such that they receive the documents in the shortest possible time. Notice of this filing will be sent via e-mail to all parties by operation of the Court's electronic filing system or by mail to anyone unable to accept electronic filing as indicated on the Notice of Electronic Filing. Parties may access this filing through the Court's CM/ECF System.

I declare under penalty of perjury under the laws of the State of California that the above is true and correct. I declare that I am a member of the bar of this court, or employed in the office of a member of the bar of this court at whose direction the service was made. Executed on December 12, 2019, at San Diego, California.
