Opposition No. 91249857

*Azzaro Mugler Beaute*¹

v.

Iron Angel

By the Trademark Trial and Appeal Board:

On October 23, 2020, in lieu of an answer, the parties filed Applicant's proposed amendment to its application Serial No. 88185091, with Opposer's consent, and Opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Class 3² to add "not for use with perfumery and fragrance products", so that the identification, as amended, would read as follows:

Essential oils **not for use with perfumery and fragrance products**

¹ Opposer's October 23, 2020 consented motion to change its name from Clarins Fragrance Group S.A.S. to Azzaro Mugler Beaute is granted.

² The unopposed goods in International Classes 29, 31, and 33 are not affected by the amendment, and remain unchanged.

Opposition No. 91249857

Because the amendment is limiting in nature, as required by Trademark Rule 2.71(a), and because Opposer consents to its entry, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
