**THIRD STIPULATED MOTION FOR EXTENSION OF TIME**

Opposer Securus Technologies, Inc. and Applicant Boston Scientific Scimed, Inc. through their respective undersigned counsel and pursuant to TBMP §§ 403.04 and 37 CFR § 2.120, hereby request that all deadlines in the above captioned opposition proceeding be extended approximately ninety (90) days.

The reason for this request remains the continued inability to complete discovery during the assigned time period due in large part to the ongoing COVID-19 pandemic. In particular, the Parties have had to postpone depositions indefinitely due to travel restrictions for both witnesses and counsel. Because the timeline for loosening restrictions that would allow the completion of necessary discovery is unknown, the Parties are requesting an additional ninety days with hopes that an additional request will not be necessary.

The proposed new deadlines are as follows:

Expert Disclosures Due 11/23/2020  
Discovery Closes 12/23/2020  
Plaintiff's Pretrial Disclosures Due 2/8/2021  
Plaintiff's 30-day Trial Period Ends 03/23/2021  
Defendant's Pretrial Disclosures Due 4/7/2021  
Defendant's 30-day Trial Period Ends 5/24/2021  
Plaintiff's Rebuttal Disclosures Due 6/7/2021  
Plaintiff's 15-day Rebuttal Period Ends 7/6/2021  
Plaintiff's Opening Brief Due 9/6/2021  
Defendant's Brief Due 10/4/2021  
Plaintiff's Reply Brief Due 10/19/2021  
Request for Oral Hearing (optional) Due 11/1/2021

Respectfully submitted,

Dated: August 10, 2020
