IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

EMVCo, LLC,

Opposer,

v.

Abacus Business Computer LLC,

Applicant.

Opposition No.: _____

NOTICE OF OPPOSITION

Application Serial No.: 88195845

NOTICE OF OPPOSITION

Opposer, EMVCo, LLC ("EMVCo" or "Opposer") seeks the refusal of registration of the mark OPALA PAYMENT SYSTEM and design shown at right ("Applicant's Mark") as applied for in application serial No. 88195845 (the "Application"), owned by Abacus Business Computer LLC ("Applicant"), and hereby opposes the Application in Class 36, on the following basis.

The Parties

1. Opposer is a Delaware limited liability company with its principal place of business at 900 Metro Center Boulevard, M1-11A, Foster City, California 94404.
2. On information and belief, Applicant is a limited liability company of New York with an address of 4449 College Point Blvd, Flushing, New York 11355.

Opposer's Marks

3. Opposer owns the design marks  (the "Indicator Mark") and  (the "Symbol Mark," and, together, "Opposer's Marks"), which are the subjects of Opposer's U.S. Registrations No. 3160180, 3204446, 3326377, 3345357, 4653111, 4973708 and 5281456. Printouts of the TARR records for these registrations are attached as Exhibit A.

4. EMVCo provides a wide variety of financial and related services using near field communication ("NFC") technology, including point-of-sale transaction services and authorization, payment card services, electronic payment processing services, promotional services, and related computer hardware, software, data readers, as well as various NFC enabled products. (The goods and services in Opposer's Filings, collectively or individually, "Opposer's Goods and Services".)

5. Opposer rights in Opposer's Marks include, in addition to Opposer's Filings, common law rights acquired through Opposer's and its licensees' significant use of the Opposer's Marks in connection with Opposer's Goods and Services on a common law basis in the United States.

The Application

6. Applicant is the record owner of the Application, which covers "Cash advance services for businesses and merchants; Charge card and credit card payment processing services; Check processing; Check verification; Cheque verification; Cheque verification services; Credit card payment processing services; Credit and cash card payment processing services; Electronic check acceptance services; Electronic foreign exchange payment processing; Electronic payment services involving electronic processing and subsequent transmission of bill payment data; Financial services, namely, administration of transactions involving funds drawn from securities, stocks, funds, equities, bonds, cash, or other types of financial investments in retirement plans

using a check or negotiable order of withdrawal over a global data network; Financial services, namely, administration of transactions involving funds drawn from securities, stocks, funds, equities, bonds, cash, or other types of financial investments in retirement plans using a credit or debit card over a global data network; Financial services, namely, assisting others with the completion of financial transactions for stocks, bonds, securities and equities; Financial services, namely, investment fund transfer and transaction services; Financial transaction services, namely, providing secure commercial transactions and payment options; Financial transaction services, namely, providing secure commercial transactions and payment options using a mobile device at a point of sale; Gift card transaction processing services; Loyalty coupon payment processing services; Loyalty program payment processing services; Merchant services, namely, payment transaction processing services; Payment processing services, namely, credit card and debit card transaction processing services; Processing electronic payments made through prepaid cards; Processing of contactless credit and debit card payments; Processing of credit card payments; Processing of credit card payments via near field communication (NFC) technology-enabled devices; Processing of debit card payments; Providing financial risk management services for electronic funds transfer, credit and debit card and electronic check transactions via a global computer network; Financial services, namely, credit agencies featuring credit processing, namely, credit checking, credit analyzing, and financial reporting services; Pre-paid purchase card services, namely, processing electronic payments made through prepaid cards; Pre-paid purchase card services, namely, processing electronic payments through pre-paid cards; Providing electronic processing of ACH and credit card transactions and electronic payments via a global computer network; Providing electronic processing of credit card transactions and electronic payments via a global computer network; Providing electronic processing of electronic funds transfer, ACH, credit card, debit card, electronic check and electronic payments; Stored value prepaid card services, namely, processing electronic payments made through prepaid cards” in Class 36 (together, "Applicant's Services").

7. The opposed Application was filed on November 15, 2018 (the “Application Filing Date”) based on use in commerce under Section 1(a) at least as early as January 1, 2016. On information and belief, Applicant has not claimed any use or rights to Applicant’s Mark preceding January 1, 2016.

8. The Application was published for opposition on April 30, 2019. An extension of the opposition deadline was obtained until August 28, 2019. Accordingly, this Opposition is timely filed.

Claim

Priority and Likelihood of Confusion

Opposer Has Priority

9. Opposer's Marks are distinctive for Opposer's Goods and Services.

10. In 2006, Opposer's Indicator Mark was registered for broad financial services, including electronic payment processing services, electronic funds transfer, and credit card services, in Class 36. Opposer's Indicator Mark was registered with card readers and other proximity payment devices in Class 9 in 2007.

11. In 2007, Opposer's Symbol Mark was registered for card readers and other proximity payment devices in Class 9 and broad financial services, including services associated with credit and debit cards in Class 36.

12. Through use of Opposer's Marks in association with its products and services, Opposer has established valuable goodwill in connection with Opposer's Goods and Services under these marks.

13. On information and belief, Opposer's first use of Opposer's Indicator Mark in commerce in the United States in association with Opposer's Good and Services was at least as early as 2004. On information and belief, Opposer's first use of Opposer's Symbol Mark in commerce in the United States in association with Opposer's Good and Services was at least as early as 2005.

14. On information and belief, Opposer has used and registered and/or filed applications for Opposer's Marks for some or all of Opposer's Goods and Services since prior to any date upon which Applicant can rely for priority purposes.

Opposer's Marks and Applicant's Mark are Confusingly Similar

15. As shown below, Applicant's Mark includes a highly similar representation of the graduating arcs that constitute the Opposer's Indicator Mark and are contained within Opposer's Symbol Mark.

Applicant's Mark	
Opposer's Marks	

16. The remaining text elements are visually separated from and do not distinguish the overall commercial impression of Applicant's Mark from Opposer's Mark. In fact, Opposer's Mark is commonly used in close proximity to the brands of third party licensees (e.g. a credit card with the Indicator Mark adjacent to the name of a bank).

17. Applicant's Services are identical or closely related to Opposer's Goods and Services--for example, "Charge card and credit card payment processing services", "Electronic payment services involving electronic processing and subsequent transmission of bill payment data", and "Merchant services, namely, payment transaction processing services." Opposer's Goods and Services include "credit card services", "electronic payment processing services", and "transaction authorization and settlement services", among other related goods and services.

18. Given the foregoing, Applicant's Mark is confusingly similar to Opposer's Marks such that its use and registration by Applicant with Applicant's Services is likely to cause

confusion, mistake, or to deceive as to the origin, sponsorship and approval of Applicant's Services, and is likely to suggest an affiliation, connection or association of Applicant and Applicant's Services with Opposer and Opposer's Goods and Services, with consequent injury to Opposer, the trade and to the public.

19. The registration of Applicant's Mark would prevent Opposer from exercising exclusive control over the goodwill and reputation associated with Opposer's Marks. Therefore, the registration of Applicant's Mark would damage and injure Opposer.

20. Opposer will also be damaged by the registration of Applicant's Mark because such registration will support statutory rights for Applicant in violation and derogation of Opposer's prior, superior and exclusive rights in Opposer's Marks.

Likelihood of Dilution

21. Opposer realleges and incorporates by reference the preceding allegations of its Notice of Opposition.

22. On information and belief, Opposer's Marks have become well-known and famous as a designation of Opposer's Goods and Services.

23. On information and belief, Opposer's Marks became famous well before the Application Filing Date.

24. Applicant's Mark so resembles Opposer's Marks as to dilute the distinctive quality of Opposer's Marks by blurring in contravention of 15 U.S.C. § 1125(c)/Section 43(c) Lanham Act.

Prayer for Relief

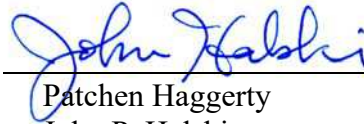

WHEREFORE, Opposer believes that it will be damaged by registration of the Applicant's Mark as reflected in the Application and respectfully requests that the Application be refused and registration of the Applicant's Mark for all of Applicant's Services in Class 36 be

denied. This Notice of Opposition is filed according to the rules governing electronic submissions to the Trademark Trial and Appeal Board, including payment of the requisite \$400 fee and service on Applicant as provided by the Trademark Trial and Appeal Board.

DATED: August 28, 2019.

Respectfully submitted,

PERKINS COIE LLP

Due to high-volume usage, you may experience intermittent issues on the Trademark Status and Document Retrieval (TSDR) system between 6 – 8 a.m. ET. Refreshing your web browser should resolve the issue. If you still need assistance accessing a document, email teas@uspto.gov and include your serial number, the document you are looking for, and a screenshot of any error messages you have received.

Starting Oct. 4, 2018, bulk data customers should no longer obtain direct access to TSDR data through tsdrsec.uspto.gov. [There are two alternative ways to receive bulk data from TSDR.](#)

Due to high-volume usage, you may experience intermittent issues on the Trademark Status and Document Retrieval (TSDR) system between 6 – 8 a.m. ET. Refreshing your web browser should resolve the issue. If you still need assistance accessing a document, email teas@uspto.gov and include your serial number, the document you are looking for, and a screenshot of any error messages you have received.

Starting Oct. 4, 2018, bulk data customers should no longer obtain direct access to TSDR data through tsdrsec.uspto.gov. [There are two alternative ways to receive bulk data from TSDR.](#)
