NOTICE OF OPPOSITION

Opposer Orto Foods, Inc. (“Opposer”), a Delaware corporation having a principal place of business at 59 S RT 303, Congers NY 10920, believes that it will be damaged by the registration of the mark XICA (the “XICA Mark”) shown in Application Serial Nos. 87979834 and 87824306 filed March 7, 2018 by Quicken Internacional SA de CV, a Mexico variable capital company (“Applicant”), having an address of record of Av Alvaro Obregon 121, Int. 803B, Roma Norte, Mexico City, Mexico 06700.

As grounds for this opposition, Opposer alleges as follows:

1. Opposer is the owner of a family of JICA marks used in connection with vegetable based snack foods, fresh cut vegetables and intended to be used with vegetable based drinks.
2. Opposer is the owner of U.S. Registration No. 4765326 for the mark JICA CHIPS® in standard-character format for use in connection with “vegetable based snacks” in International Class 29 that issued June 30, 2015 having a filing date of January 13, 2014 and first use date of

May 11, 2014. The word “chips” was disclaimed (the “JICA® Mark”). Opposer’s registration is valid and subsisting.

3. Opposer is the owner of U.S. Registration No. 5639404 for the mark JICA in standard-character format for use in connection with “fresh cut vegetables” in International Class 31 having a filing date of November 16, 2017 that issued December 25, 2018, and pending U.S. application serial no. 87688002 for the mark JICA in standard-character format for use in connection with “vegetable based drinks” in International Class 32 having a filing date of December 12, 2016. Opposer’s U.S. Reg. No. 5639404 is valid and subsisting A notice of allowance issued for its pending application serial no. 87688002, and Opposer is diligently working towards launch of that product.

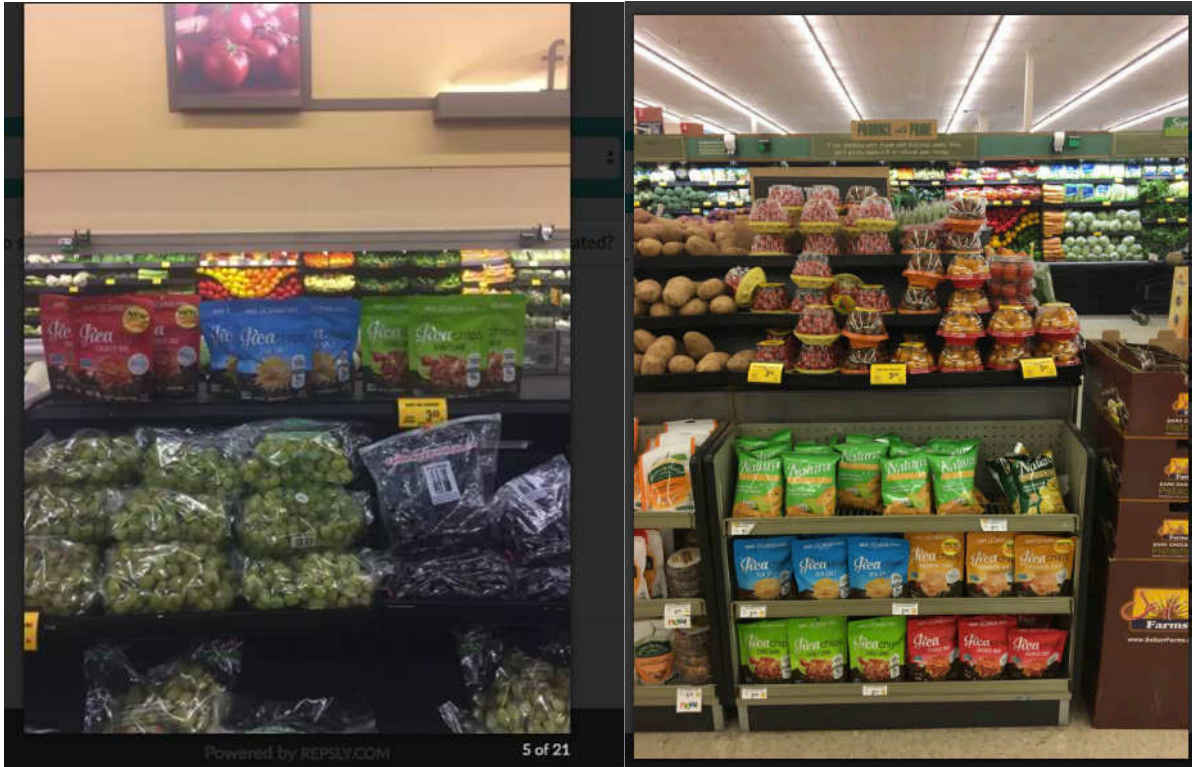

4. Opposer’s marks and registrations as identified above are hereinafter collectively referenced as the “JICA Marks”. Printouts of the USPTO TSDR records for the foregoing registration and applications are attached hereto as **Exhibit A**, and hereby made of record. TBMP § 704.03(b)(1)(A).

5. Beginning at least as early as May 2014, continuously through to the present and without abandonment, Opposer has advertised, promoted, marketed, and sold its aforementioned vegetable snack goods comprising baked jicama slices having various flavors under the mark JICA CHIPS®, establishing common law and federal trademark registration rights in the mark.

6. Through its widespread and exclusive use in commerce and as a result of extensive marketing, promotion, advertising and sales activity for over five years, Opposer’s JICA® Mark has achieved substantial recognition among the trade and consuming public and has come to symbolize Opposer’s goodwill and reputation.

7. The goods identified in Applicant's Application Serial No. 87979834 as "processed jicama; processed yams" in Class 29, and in Serial No. 87824306 as "fresh yams; unprocessed jicama" in Class 31 ("Applicant's Goods") are related to Opposer's goods described as "vegetable-based snack foods" and "vegetable based drinks," and are identical to Opposer's "fresh cut vegetables" ("Opposer's Goods") as offered and intended to be offered by Opposer in connection with Opposer's JICA Marks, and, are offered to the same, substantially similar, and/or overlapping classes of consumers as those to which Opposer offers its goods, and through the same, substantially similar, and/or overlapping channels of trade.

8. Indeed, Opposer's JICA CHIPS[®] snacks are merchandized in the fresh vegetable produce section – exactly where Applicant's XICA fresh vegetables would be displayed for sale and where Opposer's JICA[™] brand fresh cut vegetables are displayed for sale. The photos below taken June 15, 2018 at a Safeway supermarket show JICA CHIPS[®] merchandized in the produce department. Upon information and belief, Opposer's JICA CHIPS[®] are sold in the same grocery stores as Applicant's XICA Goods.

9. The word XICA is phonetically identical to JICA in that in Spanish, the letter “j” is pronounced as an “h” as in the word jicama [HI ka ma]. The letter “x” is also frequently pronounced as an “h” as in the words Mexico [me HE co] and Oaxaca [wa HA ka], making the pronunciation of JICA and XICA identical as “hica.”

10. The goods identified in Applicant’s application are so related to the goods offered by, and intended to be offered by Opposer in connection with its JICA Marks that registration of Applicant’s phonetically identical XICA Mark would result in a likelihood of confusion among relevant consumers. Consumers hearing the mark JICA where the letter J is pronounced as an “h” would sound identical to the spoken XICA mark, where the letter X is also commonly pronounced as an “h.”

11. The mark in Applicant’s Application Serial Nos. 87979834 and 87824306 are so similar to the Opposer’s Marks, and the goods identified in Applicant’s application are so related

to the goods offered by Opposer that registration of Applicant's mark would result in a likelihood of confusion among relevant consumers because consumers would likely believe that the phonetically identical XICA Mark used with jicama and other fresh vegetables is part of Opposer's family of JICA Marks used with vegetable snacks, as shown in the Registration for the JICA® Mark.

12. Applicant's Application Serial Nos. 87979834 and 87824306 were filed on March 7 2018 as a use based and an intent to use application, respectively. Should the applications mature into registrations, both the constructive priority date of March 7 2018 and asserted use date of February 3, 2018 are junior to Opposer's first use in U.S. commerce of its distinctive JICA CHIPS® Mark on May 11, 2014 and date of issuance of June 30, 2015 and Opposer's earlier filing date of December 12, 2016 for its pending JICA application for vegetable based drinks.

13. Opposer has not consented to or authorized Applicant's use or registration of the XICA Mark in connection with the goods identified in Application Serial Nos. 87979834 and 87824306.

14. Applicant's XICA Mark is likely to cause confusion, mistake or deception in that consumers are likely to believe that Applicant's Goods are Opposer's Goods, or those of a company that is sponsored, authorized, or licensed by, or in some other way connected with Opposer in violation of Section 2(d) of the Trademark Act of 1946, 15 U.S.C. §1052(d).

15. Applicant's use of the XICA Mark is likely to interfere with Opposer's use of its JICA Marks and Opposer's ability to avail itself of present and future commercial benefit resulting from its sustained financial investment in the development thereof.

16. Applicant's registration of the XICA Mark in connection with the goods identified in Application Serial Nos. 87979834 and 87824306 would be damaging to Opposer.

WHEREFORE, Opposer prays that this Notice of Opposition be sustained, that Application Serial Nos. 87979834 and 87824306 be rejected, and that Applicant be denied registration.

Dated: September 16, 2019

Respectfully submitted,
Orto Foods Inc.
