SENSEONICS, INCORPORATED,

Opposer,

Opposition No. 91251142

vs.

6SENSE BIOTECH INC.

Applicant

JOINT STIPULATION TO EXTEND TIME

Opposer Senseonics, Incorporated ("Opposer") and Applicant 6Sense Biotech, Inc. ("Applicant"), subject to the approval of the Board, hereby jointly agree and stipulate that all disclosure, discovery, and trial dates and deadlines are to be extended by three months beyond what was set in the Board's Communication dated January 25, 2021. Agreement to the three month extension was confirmed by email between counsel on June 14, 2021.

Good cause for this request exists for Senseonics, as Senseonics continues to encounter significant and severe disruption to its business due to Covid-19 because the marketing of its products requires the actions of doctor and healthcare practitioners, who are severely impacted by the national emergency medical response to the pandemic.

Good cause for this request exists for 6Sense Biotech, which has had a severe and ongoing impact on its ability to conduct business due to the ongoing Covid-19 crisis. Further, 6Sense's attorney, William Kolegraff, has had substantial disruption to his practice due to Covid-19, and further, he tested positive for Covid in early December 2020 and was forced into a lengthy quarantine. The Opposer and Applicant jointly respectfully request the Board to extend all time deadlines by three months.
