**CONSENT MOTION TO EXTEND TIME FOR RESPONDING
TO APPLICANT’S MOTION TO DISMISS**

Opposer Legacy Health (“Opposer”) hereby moves the Board to extend the period of time for Opposer to respond to Applicant’s Motion to Dismiss (filed March 5, 2020) by an additional sixty (60) days, or until July 13, 2022. Opposer’s motion is based on the following points and authorities:

On March 14, 2022, Opposer filed a consent motion with the Board seeking to extend the period of time to respond to Applicant’s Motion to Dismiss by sixty (60) days, or until May 14, 2022. On March 15, 2022, the Board granted Opposer’s motion, and Opposer is currently due to respond to Applicant’s Motion to Dismiss by no later than May 14, 2022. Pursuant to the Board’s order dated March 15, 2022, remaining briefing is due in accordance with Trademark Rule 2.127(a), but

proceedings otherwise remain suspended pending the Board's decision on Applicant's Motion to Dismiss.

Opposer seeks an additional sixty (60) day extension because the parties are currently engaged in settlement discussions and by extending the period of time for Opposer to respond to Applicant's Motion to Dismiss, the parties can continue to engage in such settlement discussions without the added pressure of responding to and/or complying with case deadlines. Granting Opposer's motion is further in the interests of judicial economy, as there may be no need for the Board to further consider Applicant's Motion to Dismiss if the parties are able to resolve the current dispute through settlement. Applicant has expressly consented to and does not oppose the extension of time sought by Opposer in this motion.

For the foregoing reasons, Opposer respectfully requests that this motion to extend be granted.

Dated: May 13, 2022

Respectfully submitted,
