Aterica, Inc.

v.

Owen Mumford Limited

Winston Folmar, Interlocutory Attorney:

Applicant's consented motion, filed November 25, 2019 (4 TTABVUE), to suspend this proceeding for 60 days for settlement is **granted**. Because the parties are negotiating for a possible settlement of this case, proceedings are suspended for 60 days, subject to the right of either party to request resumption at any time. *See* Trademark Rule 2.117(c). In the event that there is no word from either party concerning the progress of their negotiations, proceedings shall resume on January 25, 2020 **without further notice or order from the Board**, upon the schedule set forth in Applicant's motion.

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed. *See* Trademark Rule 2.18(b)(1).

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in Trademark Rules 2.121 through 2.125. These include pretrial disclosures, the manner and timing of taking testimony, matters in evidence, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence. Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). Oral argument at final hearing will be scheduled only upon the timely submission of a separate notice as allowed by Trademark Rule 2.129(a).
