Opposition No. 91251770

*NVIDIA Corporation*

*v.*

*GTX Medical B.V. AKA GTX Medical*

**Veronica P. White, Lead Paralegal Specialist:**

Opposer's consented motion, filed December 8, 2020, to suspend proceedings for 60-days is noted.

Under the schedule adopted in the Board's November 2, 2020 order, Applicant's answer was due by November 29, 2020. Thus, Applicant was in default when the December 8, 2020 consented motion was submitted. However, inasmuch as Opposer has provided a detailed report of the parties' settlement efforts and the parties are continuing to negotiate for a possible settlement of this case, the Board finds that the motion complies with the Board's previous requirement and has shown good cause.

Accordingly, Opposer's consented motion is granted, the technical default discharged, and proceedings herein are suspended subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c) and 2.127(a); and TBMP § 605.02.

The parties are reminded that in the event that either party files a motion to extend or suspend any of these dates, they remain under obligation to support any such motion with a detailed report of the reasons therefor, including details of settlement efforts. The motion must set forth both the required status report and a proposed trial schedule. For further explanation of this requirement, the parties are referred to the Board order issued November 2, 2020.<sup>1</sup> Absent such a report, any future motion to extend or suspend may be denied, even if agreed to by the parties.

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed.<sup>2</sup> See Trademark Rule 2.18(b)(1).

In the event that there is no word from either party concerning the progress of their negotiations, **proceedings shall resume without further notice or order from the Board**, upon the schedule set forth below.

An answer must be filed through ESTTA, the Board's Electronic System for Trademark Trials and Appeals. *See* Trademark Rule 2.106(b)(1).

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in Trademark Rules 2.121 through 2.125. These include pretrial disclosures, the manner and timing of taking testimony, matters in evidence, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence. Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). Oral argument at final hearing will be scheduled only upon the timely submission of a separate notice as allowed by Trademark Rule 2.129(a).

**TIPS FOR FILING EVIDENCE, TESTIMONY, OR LARGE DOCUMENTS**

The Board requires each submission to meet the following criteria before it will be considered: 1) pages must be legible and easily read on a computer screen; 2) page orientation should be determined by its ease of viewing relevant text or evidence, for example, there should be no sideways or upside-down pages; 3) pages must appear in their proper order; 4) depositions and exhibits must be clearly labeled and numbered – use separator pages between exhibits and clearly label each exhibit using sequential letters or numbers; and 5) the entire submission should be text-searchable.

Additionally, submissions must be compliant with Trademark Rules 2.119 and 2.126. Submissions failing to meet all of the criteria above may require re-filing. **Note:** Parties are strongly encouraged to check the entire document before filing.<sup>3</sup> The Board will not extend or reset proceeding schedule dates or other deadlines to allow time to re-file documents. For more tips and helpful filing information, please visit the [ESTTA help](#) webpage.
