In the matter of Application Serial No. 88/323,634
Filed March 4, 2019
Published in *Official Gazette* on June 25, 2019
for the mark **NEILO**

Sisco Textiles N.V.

Opposer,

v.

Oneil K. Jefferson

Applicant.

Opposition No.:

NOTICE OF OPPOSITION

Sisco Textiles N.V., a Curaçao corporation, having its principal place of business at Kaya W.F.G. (Jombi), Mensing 14, Willemstad, Curaçao, believes that it will be damaged by the intent-to-use application filed by Oneil K. Jefferson (“Applicant”) to attempt to register the designation NEILO, Serial No 88/323,634, for goods falling within International Class 25, and hereby opposes the same.

As grounds for the opposition, Opposer alleges as follows:

Opposer’s Trademark Rights

1. Opposer, directly and through licensees, has long used and uses the mark O’NEILL® in connection with a variety of goods and services, including clothing, active wear, such as swimwear, footwear, hats, gloves, bags, and accessories, and related goods and services including retail store services, catalog services and online retail store services featuring such goods. Specifically, for decades the goods and services offered under Opposer’s O’NEILL® mark have been and are distributed, sold and promoted in the United States, including in O’NEILL® branded retail stores and online at www.oneill.com, and catalogs, and through

independent retail stores and e-commerce sites, including amazon.com.

2. Opposer owns valid, subsisting, and unrevoked federal trademark registrations consisting of the word mark O'NEILL®, including U.S. Registration Nos. 1183040, 1339268, 1069298, 2425804, and 3939936. Opposer also owns valid, subsisting, and unrevoked federal trademark registrations for marks that contain formatives of O'NEILL® mark, including U.S. Registration Nos. 1367364, 4085740, and 4251127. These registrations also cover apparel, footwear and accessories in Class 25 and other classes, and other related goods and services, including retail store services featuring apparel. Certain of the referenced registrations have become and are incontestable. True and correct copies of the TSDR and Assignment Status printouts for these marks from the USPTO website are attached hereto as **Exhibit A**.

3. Opposer has used the O'NEILL® mark in interstate and foreign commerce in connection with clothing, sunglasses, bags, wetsuits, hats, gloves, footwear, active wear, such as swimwear, and accessories, and related goods and services, since at least as early as February 1976, decades prior to the filing date of the opposed intent-to-use application at issue in this proceeding. As such, the O'NEILL® mark has long been associated exclusively with Opposer. Opposer, directly and through licensees, owns and uses the domain name oneill.com and the trade name O'Neill.

4. Opposer has expended substantial time and effort in promoting the O'NEILL® mark and name in connection with clothing, footwear, sunglasses, wetsuits, bags, hats, gloves, active wear and accessories, and other related goods and services.

5. Through continuous and exclusive use, Opposer's O'NEILL® mark has become exclusively identified with Opposer's goods and related services, and Opposer has developed substantial goodwill in its federally registered O'NEILL® mark. Opposer's federally registered

O'NEILL® mark is well-regarded, well-known and has become famous in the United States.

Applicant's Trademark Application

6. On March 4, 2019, decades after Opposer commenced use of and had first registered the O'NEILL® mark in the United States, and after the O'NEILL® mark had become well-known and famous, Applicant filed an intent-to-use application for the designation NEILO, Serial No. 88/323,634. The opposed application covers the following goods in International Class 25: "Boots; Coats; Hats; Headwear; Jeans; Knit tops; Pants; Pullovers; Shirts; Shoes; Shorts; Sneakers; Socks; Suits; Sweatshirts; T-shirts; Vests; Windbreakers; Belts; Bottoms as clothing; Gloves as clothing; Hoodies; Jackets; Jerseys; Polo shirts; Short sets; Tops as clothing."

7. Based on the goods for which Applicant seeks to register the applied-for, intent-to-use designation, Applicant's goods will be competitive with, directly related or overlapping with the goods and services Opposer has long offered and sold under its O'NEILL® mark.

8. On information and belief, based on the goods for which Applicant seeks to register the applied-for, intent-to-use designation, the goods Applicant intends to offer under the applied-for, intent-to-use designation will be sold and/or are likely to be sold or offered for sale through the same or overlapping channels of trade and/or in the same geographic locations, will be used and/or are likely to be used by the same or overlapping end users, and will be used and/or are likely to be directed to the same or overlapping type of customers to whom Opposer markets, promotes and sells its products and services under its O'NEILL® mark. Opposer's registrations for the O'NEILL® mark on their face are not limited to any type of consumer or channels of trade, and neither is Opposer's use limited to any type of consumer.

9. Applicant's applied-for designation, NEILO, is virtually identical in sight, sound, and overall commercial impression to Opposer's O'NEILL® mark, which thereby conveys an affiliation, association or sponsorship between Applicant and Opposer when there is none,

creates a likelihood of consumer confusion, and threatens to dilute the O'NEILL® mark.

FIRST CAUSE OF ACTION
(Likelihood of Confusion)

10. Opposer incorporates by reference and re-alleges as though fully set forth herein the allegations of paragraphs 1 through 9 of this Notice of Opposition.

11. The goods set forth in the opposed intent-to-use application on their face overlap with, and/or are directly competing or related to the goods and services Opposer has long offered and sold under the O'NEILL® mark in the United States. Further, on information and belief, the goods listed in the opposed, intent-to-use application will be sold and/or are likely to be sold or offered for sale through the same or overlapping channels of trade and/or in the same geographic locations, will be used and/or are likely to be used by the same or overlapping users, and will be used and/or are likely to be directed to the same or overlapping type of customers to whom Opposer markets, promotes and sells its goods and services under its O'NEILL® mark.

12. The opposed, applied-for intent-to-use designation is virtually identical and/or substantially similar in terms of sight, sound, and overall commercial impression to Opposer's O'NEILL® mark and name, used for overlapping related and/or directly competing goods, and thereby, is confusingly similar to Opposer's O'NEILL® mark and name.

13. The designation covered by the opposed application is likely to cause confusion, or to cause mistake or disparage or deceive by falsely suggesting a connection with Opposer and the goods and services for which Opposer uses and has long used its O'NEILL® mark and name, when there is no such connection or any relationship between Opposer and Applicant.

14. Opposer believes it will be damaged by registration of the applied-for designation in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d). Unless Applicant's application is denied, Applicant will unjustifiably reap the benefits of the goodwill attached to

Opposer, its O'NEILL® mark, and its goods and services offered and sold under the O'NEILL® mark and name, and Opposer will likely suffer damage and injury as a result of the confusion that is likely to arise if the opposed, intent-to-use application is allowed to proceed to registration.

SECOND CAUSE OF ACTION
(Dilution)

15. Opposer incorporates by reference and re-alleges as though fully set forth herein the allegations of paragraphs 1 through 14 of this Notice of Opposition.

16. Opposer believes it will be damaged by registration of the applied-for designation under Section 13 of the Lanham Act, 15 U.S.C. § 1063, because the use and registration of the applied-for designation is likely to dilute the distinctive quality of Opposers' famous O'NEILL® mark, in violation of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

WHEREFORE, Opposer prays that Application Serial No. 88/323,634 be rejected, that no registration be issued thereon to Applicant, and that this opposition be sustained in favor of Opposer.
