**OPPOSER’S BRIEF IN RESPONSE TO
APPLICANT’S MOTION FOR SUMMARY JUDGMENT**

Opposer, United Industries Corporation (“UIC” or “Opposer”), through its counsel, respectfully submits this Response to Applicant’s Motion for Summary Judgment filed on May 18, 2022. For the reasons set forth below, Applicant’s Motion for Summary Judgment should be denied. Additionally, Opposer requests leave to amend its Notice of Opposition.

I. STATEMENT OF FACTS AND APPLICANT’S EVIDENCE

As an initial matter, Opposer objects to Applicant’s submitted Exhibits A-C, E, F, H, and J. In each instance, Applicant submitted purported website and database printouts without providing authenticating information, i.e. the full web address from which the site was printed and the date of access. TBMP § 528.05(e). Thus, these website printouts are not properly authenticated and are thus inadmissible as evidence.

Additionally, Applicant did not include a Statement of Facts with its motion, so Opposer responds to certain alleged facts as they appear in Applicant’s memorandum in support. Opposer

denies any additional facts Applicant may claim to have alleged and are not explicitly addressed below. However, Opposer responds to the following:

1. Opposer owns Reg. No. 2270338 for the mark BUG STOP for use in connection with “insect repellent, insecticide and pesticide for domestic/household use”.

Admitted.

2. Opposer owns Reg. No. 1196097 for the mark WEED STOP for use in connection with “weed preventer”.

Admitted.

3. Opposer owns Reg. No. 2148032 for the mark WEED STOP for use in connection with “domestic herbicides for lawns and gardens”.

Admitted.

4. Applicant owns Application Serial No. 88339754 for the mark STUMP STOP for use in connection with “herbicides”.

Admitted.

5. There is a Reg. No. 2269527 for the mark ULTRASTOP for use in connection with “pesticides, insecticides and herbicides for domestic and commercial use”.

Admitted with the clarification that Reg. No. 2269527 is owned by Opposer (see Trademark Office Records attached as Exhibit 1).

6. There is a Reg. No. 6449278 for the mark SEDGE STOP for use in connection with “herbicides”.

Admitted with the clarification that Reg. No. 6449278 is owned by Opposer (see Trademark Office Records attached as Exhibit 2).

7. There is a Registration No. 3954168 for the mark FINAL STOP for use in connection with “herbicides, insecticides, pesticides, and fungicides for home, garden and lawn use and for professional use”.

Admitted.

8. There is a Registration No. 3071328 for the mark SURE STOP for use with “lawn and garden products, namely, herbicides, insecticides and pesticides for domestic and agricultural use.”

Admitted.

9. There is a Registration No. 1583181 for the mark HY-STOP for use with “spray adjuvant for pesticides and other agricultural chemical sprays, namely insecticides, fungicides, herbicides, miticides, growth regulators and desiccants”.

Admitted.

10. There is a Reg. No. 961825 for the mark SPROUT-STOP for use in connection with “Liquid herbicide and growth retardant sold directly to farmers for application as a foliar spray in the field for inducing dormancy in potatoes and onions to prevent sprouting in storage; for controlling wild onions and wild garlic in lawns and grass areas in non-pasture or crop land such as along highways; and for inducing dormancy in young non-bearing citrus trees”.

Admitted.

II. Legal Standard for Summary Judgment

“The motion for summary judgment is a pretrial device to dispose of cases in which ‘the pleadings, depositions, answers to interrogatories, and admissions on file, together with the

affidavits, if any, show that there is no genuine issue as to any material fact and that the moving party is entitled to judgment as a matter of law.” See TBMP § 528.01 (citing Fed. R. Civ. Pro. R. 56(c)). The burden is on the moving party to demonstrate there is an absence of any genuine dispute of material fact, and that it is entitled to judgment as a matter of law. *Id.* A factual dispute is genuine if sufficient evidence is presented such that a reasonable fact finder could decide the question in favor of the nonmoving party. *Sweats Fashions Inc. v. Pannill Knitting Co.*, 4 U.S.P.Q.2d 1793, 1795 (Fed. Cir. 1987) (dispute is genuine "only if, on the entirety of the record, a reasonable jury could resolve a factual matter in favor of the nonmovant")

As discussed below, Applicant has not met its burden.

III. Summary Judgment is Inappropriate as to Whether Opposer Owns a Family of STOP Marks

A. There is Substantial Evidence in Dispute

In Applicant’s motion, Applicant asserts Opposer’s WEED STOP and BUG STOP marks do not constitute a family of marks in part because “there is no evidence in the record regarding Opposer’s use of its marks” (*see* Memorandum in Support of Summary Judgment P. 3). However, Applicant’s assertion of a lack of evidence is unfounded and disingenuous as Applicant chose not to engage in discovering material facts.

Specifically, a family of marks is "a group of marks having a recognizable common characteristic, wherein the marks are composed and used in such a way that the public associates not only the individual marks, but the common characteristic of the family, with the trademark owner." *J & J Snack Foods Corp. v. McDonald’s Corp.*, 18 U.S.P.Q.2d 1889, 1891 (Fed. Cir. 1991). To determine if there is a family of marks, it is “necessary to consider the use, advertising, and distinctiveness of the marks”. *Id.* As such, whether there is a family of marks is a fact intensive inquiry involving the actual use of the marks.

In this case, Applicant made minimal effort to discover information regarding Opposer's marks, as Applicant did not serve any interrogatories, discovery requests, or requests for admission. Also, the Board advised Applicant that "[a] cursory review of [Applicant's] discovery responses indicates that many are deficient" in its March 9, 2021 order on Opposer's First Motion to Compel filed on February 25, 2021, and subsequently ordered Applicant to supplement its deficient discovery responses to Opposer following Opposer's Second Motion to Compel filed on September 2, 2021, further demonstrating Applicant's unwillingness to engage in discovery necessary to support its Motion for Summary Judgment.

Additionally, in its motion, Applicant only included a few unauthenticated screenshots as Exhibits E and F, which purportedly show Opposer's websites (Opposer objects to this evidence as improper as detailed above). It is on this basis that Applicant claims there is no evidence Opposer has a family of STOP marks.

However, as identified in Opposer's pretrial disclosures sent to Applicant prior to the filing of this motion, Opposer intends to take testimony and introduce documents on topics including the use, advertising, and registration of Opposer's STOP formative marks. (Opposer's pretrial disclosures are attached as Exhibit 3.) Therefore, Applicant is on notice there is additional material information pertinent to establishing Opposer has a family of STOP marks. Opposer contends there are many relevant, material facts yet to be submitted in this matter. For instance, Opposer's longstanding use and advertising for its STOP formative marks must be reviewed by the Board prior to determining whether or not a family of marks exists.

In short, Applicant's lack of knowledge of material facts at this stage is due to its own decision not to take discovery. There is in fact substantial evidence still in dispute making

summary judgment inappropriate. Thus, Applicant's claim there is no evidence Opposer owns a family of STOP marks is baseless and disingenuous.

B. Opposer's Family of STOP Marks is Based on More Than Three Registrations and Two Marks

In its motion, Applicant also suggests Opposer does not have a family of marks because it only owns three registrations for two marks, namely BUG STOP Reg. No. 2270338, WEED STOP 1196097, and WEED STOP Reg. No. 2148032. As an initial matter, whether a party owns a family of marks is based on use, advertising, and distinctiveness of the marks; not whether a party owns a particular number of registrations. *See, e.g. J & J Snack Foods Corp.*, 18 USPQ2d at 1891. As explained above, Opposer intends to introduce evidence during the testimony period on the use and advertising of its STOP formative marks, rather than solely relying on its registrations to support it owns a family of marks. Applicant is aware of this intention.

Additionally, Applicant cited two registrations for ULTRASTOP Reg. No. 2269527 and SEDGE STOP Reg. No. 6449278 as third-party marks. However, Opposer owns these registrations and these marks are part of Opposer's STOP family of marks (see Trademark Office Records attached as Exhibit 1 and 2). Opposer further requests below leave to amend its Notice of Opposition to include these registrations.

As such, Applicant's assertion Opposer's family of marks is based on three registrations and two marks is erroneous. Furthermore, Applicant's failure to identify the scope of Opposer's family of STOP marks is due to its own decision not to take discovery and own mistake in reviewing the registration information for the marks cited in its motion.

C. “STOP” in Opposer’s Marks is Distinctive

Applicant also claims Opposer does not have a family of marks because “STOP” is not distinctive. To support this position, Applicant has provided dictionary definitions for herbicide, pesticide, and insecticide as well as cited six alleged third-party registrations.

As addressed above, two of the cited “third-party” registrations are actually owned by Opposer (ULTRASTOP Reg. No. 2269527 and SEDGE STOP Reg. No. 6449278). In addition, the fact there may be third-party registrations for various “STOP” marks does not establish Opposer cannot have a family of marks where “STOP” is the common characteristic. For example, in *J & J Snack Goods*, the court found McDonalds owned a family of “Mc” marks despite the existence of a large number of third-party “Mc” registrations. *J & J Snack Foods Corp.*, 18 U.S.P.Q.2d at 1891.

Moreover, Applicant claims “STOP” in Opposer’s marks is suggestive and therefore not distinctive. However, suggestive marks are inherently distinctive and function as trademarks without the need of secondary meaning. *See Abercrombie & Fitch Co. v. Hunting World, Inc.*, 189 U.S.P.Q. 769 (2d Cir. 1976); *see also In re George Weston Ltd.*, 228 U.S.P.Q. 57 (T.T.A.B. 1985) (SPEEDI BAKE for frozen dough found to be suggestive because it only vaguely suggests a desirable characteristic of frozen dough).

Opposer also notes from Applicant’s motion and the cited case law, that Applicant has improperly conflated the concept of a descriptive mark and a suggestive mark. Specifically, Applicant cited *In re Bed and Breakfast* to support the contention that there is no confusion when two marks share a suggestive element (*see* Memorandum in Support of Summary Judgment P.11). However, in that case, the Board clearly identified the common element between the marks as descriptive. *In re Bed & Breakfast Registry*, 229 U.S.P.Q. 818 (Fed. Cir. 1986). Likewise, the cited case *TCPIP Holding* does not say the suggestiveness of a mark makes

confusion unlikely, as Applicant argued in the motion (*see* Memorandum in Support of Summary Judgment P.12). Rather, the court stated, “similarity in descriptive marks is less likely to cause confusion than similarity in arbitrary or fanciful marks.” *TCPIP Holding Co., Inc. v. Haar Communications, Inc.*, 57 U.S.P.Q.2d 1969 (2nd Cir. 2001) (emphasis added).

A mark is considered “merely descriptive” if it describes an ingredient, quality, function, feature, purpose or use of the specified goods. TMEP § 1209.01(b). However, to be “merely descriptive,” the mark must do nothing but describe the goods or services. 2 J. Thomas McCarthy, *McCarthy on Trademarks and Unfair Competition* § 11:19; *see also In re Colonial Stores, Inc.*, 157 USPQ 382, 384-385 (C.C.P.A. 1968) (finding that the composite mark SUGAR & SPICE is not merely descriptive of baked goods, but suggestive and noting that “the mark clearly does not tell the potential purchaser *only* what the goods are, their function, their characteristics or their use, or, of prime concern here, their ingredients”). If consumers must exercise mature thought or follow a multi-stage reasoning process to determine the characteristics that the mark indicates, then the mark is suggestive, rather than merely descriptive. *In re Tennis in the Round, Inc.* 199 U.S.P.Q. 496 (T.T.A.B. 1987); *see also Tanel Corp. v. Reebok International Ltd.*, 16 U.S.P.Q.2d 2034 (D. Mass. 1990).

Here, “STOP” does not immediately describe Opposer’s goods. While Opposer’s herbicides, pesticides, and insecticides may kill weeds and bugs, the term “STOP” does not have a direct meaning indicating this purpose. For instance, in *In re George Weston Ltd.*, it was found SPEEDI BAKE was suggestive in connection with frozen dough and in *In re The Noble Co.*, it was found NOBURST for liquid antifreeze and rust inhibitor was suggestive. *In re George Weston Ltd.*, 228 U.S.P.Q. 57 (T.T.A.B. 1985); *In re The Noble Co.*, 225 U.S.P.Q. 749 (T.T.A.B. 1985). Similar here, relevant consumers would not immediately understand the meaning of

“STOP” in relation to Opposer’s goods and they would need to inquire further to understand the nature of Opposer’s products. As such, “STOP” in Opposer’s marks is at most suggestive and therefore is distinctive.

Furthermore, the Trademark Office has taken the position “STOP” is not merely descriptive in connection with these types of goods. Specifically, Opposer’s WEED STOP Reg. No. 2148032 (covering herbicides), ULTRASTOP Reg. No. 2269527 (covering pesticides, insecticides and herbicides), BUG STOP Reg. No. 2270338 (covering insect repellent, insecticides and pesticides), and SEDGE STOP Reg. No. 6449278 (covering herbicides) are registered on the Principal Register without a claim of acquired distinctiveness or disclaimer for “STOP” (see TSDR records attached as Exhibit 4). This is also true for the third-party registrations cited by Applicant, namely FINAL STOP Reg. No. 3954168 (covering pesticides, insecticides, herbicides and fungicides), SURE STOP Reg. No. 3071328 (covering pesticides, insecticides and herbicides), HY-STOP Reg. No. 1583181 (covering spray adjuvant for pesticides and other chemical sprays), and SPROUT-STOP Reg. No. 961825 (covering herbicide) (see TSDR records attached as Exhibit 5).

In light of the above, “STOP” is a distinctive term in Opposer’s family of STOP marks.

IV. Summary Judgment is Inappropriate on the Issue of a Likelihood of Confusion

As an initial matter, Applicant’s motion is best interpreted as a partial motion for summary judgment on the issue of the existence of a family of marks. For all the reasons above, Opposer contends there are numerous facts remaining in dispute such that summary judgment is inappropriate. As to the greater issue of likelihood of confusion, Applicant fails to address nearly all relevant factors. While Applicant’s motion mentions several categories of facts to be relevant, Applicant’s motion only claims there is no confusion because Opposer’s marks are

weak and dissimilar to Applicant's mark (*see* Memorandum in Support of Summary Judgment p. 10-12). Moreover, as Applicant did not serve requests on Opposer in the discovery period, it lacks relevant information that Opposer will bring to light during its testimony period. Even to the extent Applicant can be seen as having properly brought and argued a motion for summary judgment on the full issue of likelihood of confusion between Opposer's marks and Applicant's STUMP STOP application, Applicant's cited facts and case law do not support granting summary judgment and its motion should be denied.

A. Opposer's Marks Are Distinctive

Applicant tries to claim Opposer's marks are suggestive and therefore weak. Again, suggestive marks are inherently distinctive and function as trademarks without the need of secondary meaning. *See Abercrombie & Fitch Co.*, 189 U.S.P.Q. 769 (2d Cir. 1976); *see also In re George Weston Ltd.*, 228 U.S.P.Q. 57 (T.T.A.B. 1985). Therefore, Applicant acknowledges Opposer's marks are distinct marks capable of distinguishing the source of Opposer's goods.

Additionally, Applicant has cited cases discussing descriptive marks rather than suggestive marks to attempt to categorize Opposer's marks as weak. Specifically, Applicant cited *In re Bed and Breakfast* to support the contention that there is no confusion when two marks share a suggestive element (*see* Memorandum in Support of Summary Judgment P.11). Again, in that case, the Board clearly identified the common element between the marks as descriptive. *In re Bed & Breakfast Registry*, 229 U.S.P.Q. 818 (Fed. Cir. 1986). Likewise, the cited case *TCPIP Holding* does not say the suggestiveness of a mark makes confusion unlikely as Applicant argued in the motion (*see* Memorandum in Support of Summary Judgment P.11). Rather, the court stated "similarly in descriptive marks is less likely to cause confusion than similarity in arbitrary

or fanciful marks.” *TCPIP Holding Co., Inc. v. Haar Communications, Inc.*, 57 U.S.P.Q.2d 1969 (2nd Cir. 2001) (emphasis added).

Applicant also tries to rely on the existence of six third-party marks to demonstrate “STOP” in Opposer’s marks are weak. However, two of the cited marks, SEDGE STOP and ULTRASTOP are Opposer’s marks. Moreover, the remaining four third-party registrations are not sufficient to demonstrate “STOP” is not distinctive. *See, e.g. In re Broadway Chicken Inc.*, 38 U.S.P.Q.2d 1559, 1564 (T.T.A.B. 1996) (citing hundreds of instances of third-party use of similar terms).

Rather, as detailed above, “STOP” in Opposer’s marks is at most suggestive in connection with Opposer’s goods and the Trademark Office has taken the position “STOP” marks for the goods at issue are not descriptive.

Therefore, “STOP” is a distinctive term in Opposer’s STOP formative marks.

B. Applicant’s Mark is Similar to Opposer’s Marks

Applicant also attempts to argue in its motion there is no likelihood of confusion because the marks at issue only share “STOP”, which Applicant believes should be ignored because it is a suggestive term. Again, suggestive terms are distinctive and should not be discounted when considering if there is a likelihood of confusion between two marks. Under the anti-dissection rule, it is inappropriate to ignore or not consider the impact of additional words in the parties’ marks. As stated by the Supreme Court, “The commercial impression of a trademark is derived from it as a whole, not from its elements separated and considered in detail. For this reason, it should be considered in its entirety.” *Estate of P.D. Beckwith, Inc. v. Commissioner of Patents*, 252 U.S. 538, 545-46 (1920). “When it is the entirety of the marks that is perceived by the public, it is the entirety of the marks that must be compared.” *Opryland USA Inc. v. The Great*

American Music Show Inc., 23 U.S.P.Q.2d 1471, 1473 (Fed. Cir. 1992). Therefore, Applicant cannot choose to ignore the fact the marks at issue share the term “STOP” when considering if there is a likelihood of confusion.

Furthermore, Applicant suggests the marks are different because they begin with different terms. However, Applicant’s STUMP STOP mark begins with the name or category of a plant or piece of vegetation, in the same way Opposer’s BUG STOP and WEED STOP marks begin with the noun “bug” or name of a piece of vegetation, followed by the word “STOP”. In addition, STUMP STOP App. No. 88339754 covers “herbicides”, which are identical or at least highly related to the goods covered by Opposer’s marks. Given the nature of the goods, they would be sold to similar consumers and travel in similar channels of trade.

As such, there is a likelihood of confusion between the marks at issue.

C. There are Material Facts in Dispute

In order to meet its burden on summary judgment regarding the issue of a likelihood of confusion, Applicant must demonstrate there is an absence of any genuine dispute of material fact. *See* TBMP § 528.01 (*citing* Fed. R. Civ. Pro. R. 56(c)). As detailed above, Applicant chose not to discover material facts, including on topics like the use of Opposer’s marks, the nature of Opposer’s goods and consumers, Opposer’s channels of trade, and Opposer’s ownership of STOP formative marks. As clearly identified in Opposer’s pretrial disclosures, it is Opposer’s intention to introduce evidence on these highly relevant topics. Applicant should not be rewarded with summary judgment by willfully leaving the record incomplete by not participating in the discovery process. In this way, Applicant is failing in its burden to demonstrate there is no genuine issue or material fact simply by attempting to avoid material facts – facts that Opposer will bring to light during the testimony period in this matter. *See* TBMP § 528.01 (*citing* Fed. R.

Civ. Pro. R. 56(c)) (the burden is on the moving party to demonstrate there is an absence of any genuine dispute of material fact, and that it is entitled to judgment as a matter of law).

Applicant cannot claim there is no genuine issue of material fact when (1) it does not know all the material facts through its own choice, (2) it knows there are material facts available, and (3) it is in error on basic and easily verified facts such as who owns certain registrations cited and relied upon in its motion.

V. Opposer Requests Leave to Amend the Notice of Opposition to Identify its SEDGE STOP and ULTRASTOP Marks

In accordance with TBMP § 507.02, Opposer requests the Board grant leave to amend the Notice of Opposition. Opposer makes this request to plead a likelihood of confusion based on SEDGE STOP Reg. No. 6449278 and ULTRASTOP Reg. No. 2269527. The proposed amendment would not violate settled law or be prejudicial to the rights of Applicant, as Applicant raised the question of ownership of these marks in its Motion for Summary Judgment. Furthermore, SEDGE STOP Reg. No. 6449278 was assigned to Opposer after the filing of this opposition. *See* TBMP § 507.02 (the Board liberally grants leave to amend pleadings at any stage of the proceeding, including when a plaintiff seeks to amend the claims based on registrations acquired by the plaintiff after the filing date of the original complaint); *Van Dyne-Crotty Inc. v. Wear-Guard Corp.*, 17 U.S.P.Q.2d 1866, 1867 (Fed. Cir. 1991); *Space Base Inc. v. Stadis Corp.*, 17 U.S.P.Q.2d 1216, 1217 (T.T.A.B. 1990).

VI. Conclusion

Wherefore, UIC respectfully requests the Board deny Applicant's Motion for Summary Judgment as well as grant leave for UIC to amend its Notice of Opposition.

Respectfully submitted,

OPPOSER’S PRETRIAL DISCLOSURES

Pursuant to 37 C.F.R. § 2.121(e) and TBMP § 702.01, United Industries Corporation (“UIC” or “Opposer”), through its attorneys, hereby provides its Pretrial Disclosures as follows:

DISCLOSURES

I. Trial Witness Who May be Called to Testify by Opposer

Opposer identifies the following individual of whom it intends to take testimony or may take testimony if the need arises during its testimony period and provides a general summary of topics on which the witness is expected to testify:

- The current and prior use of Opposer’s STOP formative marks;
- The status of BUG STOP Reg. No. 2,270,338, WEED STOP Reg. No. 2,148,032, and WEED STOP Reg. No. 1,196,097;
- Opposer’s advertising in connection with Opposer’s STOP formative marks;

- The channels of trade and target consumers for Opposer's products sold in connection with its STOP formative marks; and
- Sales figures for Opposer's products sold in connection with Opposer's STOP formative marks.

II. The Types of Documents and Things Opposer May Introduce During Testimony of the Trial Witness

Opposer identifies the following general summary of the types of documents and things, which may be introduced by Opposer as exhibits during the testimony of the trial witness:

- The file histories of Opposer's registrations that were alleged in the Notice of Opposition, including Reg. Nos. 2270338, 2148032, and 1196097;
- Documents displaying the use of Opposer's STOP formative marks on products and advertising; and
- Documents containing sales and advertising figures in connection with Opposer's STOP formative marks.

Date: May 18, 2022

Respectfully submitted,
