**MOTION TO AMEND GOODS FOR SETTLEMENT WITH CONSENT**

Pursuant to 37 C.F.R. § 2.133 and § 514 of the Trademark Board Manual of Procedures, Applicant Taylor Gilbreath (“Applicant”), by its attorneys, hereby submits this Motion to Amend Goods for Settlement With Consent as follows:

~~Class 020: Storage and organization systems comprising at least one of shelves, drawer(s), dual-directional drawer(s), basket(s), dual-directional basket(s), a pass-thru linen hamper in the nature of baskets for transporting goods for commercial purposes, or a dual-directional pass thru linen hamper in the nature of baskets for transporting goods for commercial purposes, sold as a unit; metal storage cabinets; wood storage cabinets; furniture for use in the health care industry, namely, metal and wood storage cabinets~~  
Storage units for use in the health care industry that contain at least one of shelves, drawer(s), dual-directional drawer(s), basket(s), dual-directional basket(s), and pass-thru linen hamper(s) in the nature of baskets for transporting goods for commercial purposes, or a dual-directional pass-thru linen hamper(s) in the nature of baskets for transporting goods for commercial purposes

Such that the identification of goods be amended to state:

Class 020: Storage units for use in the health care industry that contain at least one of shelves, drawer(s), dual-directional drawer(s), basket(s), dual-directional basket(s), and

pass-thru linen hamper(s) in the nature of baskets for transporting goods for commercial purposes, or a dual-directional pass-thru linen hamper(s) in the nature of baskets for transporting goods for commercial purposes

As grounds for this motion, Applicant states that the above proposed amendment accurately conveys the goods that Applicant offers in conjunction with the mark FLOWCARE, which is the subject of the application at issue in this matter. Moreover, in compliance with 37 C.F.R. § 2.71(a), the proposed amendments serve to clarify and limit but in no way broaden the identification of goods.

WHEREFORE, Applicant requests this motion be granted and the amended goods be made of record for U.S. Trademark Application No. 88/221,439.

Respectfully submitted,

Dated: October 28, 2020
