By the proposed amendment, Applicant seeks to amend the recitation of services in International Class 44 to add the limiting wording shown in **bold** type font below.

The proposed amendment is as follows:<sup>2</sup>

Medical services, namely, providing Internet-based medical information for patients on medical issues and procedures; providing an interactive patient and caregiver web site for relay of information about disease symptoms and medical experiences for patient support and community; providing a web site featuring medical information; providing medical information; **none of the foregoing including the sale of comprehensive health care benefit programs**

---

<sup>1</sup> Applicant's Answer (filed May 8, 2020) and change of correspondence information (filed June 9, 2020) are noted and made of record.

<sup>2</sup> The services in International Class 42 are not affected by the amendment.

Opposition No. 91253172

Because the amendment is limiting in nature, as required by Trademark Rule 2.71(a), and because Opposer consents to its entry, the amendment is **approved** and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is **dismissed** without prejudice.
