**STIPULATED REQUEST FOR AMENDMENT OF APPLICATION AND  
SUSPENSION OF PROCEEDINGS**

Pursuant to Rule 2.133 of the Trademark Rules of Practice, with Opposer’s consent, Applicant Swadeco, LLC respectfully requests that the identification of goods in application Serial No. 88/517,010 be amended to recite the following goods and services in Class 25:

<u>Class</u> <u>025:</u>	Clothing, namely, tops, bottoms, undergarments, socks, and headwear <u>none of the foregoing made in whole or significant part of denim</u>
-----------------------------	---

Applicant further requests that the description of the mark be amended as follows:

The mark consists of three bars interconnected in stylized form within a triangle design. The mark does not appear in the color red or upon pockets of the goods in Class 025.

The parties respectfully submit that this amendment does not require republication of the application because the amendment narrows, rather than broadens, the scope of the application.

These amendments are made pursuant to an Agreement between Applicant and Opposer, who has consented to the amendment. If the amendment is approved by the Board, Opposer will withdraw the opposition with prejudice.

The parties further request that the opposition proceeding be suspended pending disposition of this motion.

Respectfully submitted this 9th day of September, 2020.
