Opposition No. **91254001**

Relay Network, LLC

v.

People.ai, Inc.

By the Trademark Trial and Appeal Board:

On April 16, 2020, Opposer filed Applicant's proposed amendment to **Application Serial No. 88428203**, with Opposer's written consent, and Opposer's withdrawal of the opposition with prejudice, contingent upon entry of the amendment.¹

By the proposed amendment, Applicant seeks to change the identification of services in International Class 42 as follows (deletions underlined and additions bolded):

From: Software as a service (SAAS) services featuring software for analyzing calendar, mail, and phone activity data, and customer relationship data to provide actionable insights and tasks for sales and marketing teams; in International Class 42.

¹ Opposer's filing fails to indicate proof of service on Applicant as required by Trademark Rule 2.119. In order to expedite this matter, Applicant is referred to <http://ttabvue.uspto.gov/ttabvue/v?pno=91254001&pty=OPP&eno=6> to view and obtain a copy of the filing.

To: Software as a service (SAAS) services featuring software **using artificial intelligence** for analyzing calendar, mail, phone activity data, and customer relationship data to provide **automated**, actionable insights and tasks for sales and marketing teams, **as a feature of an AI-based data automation software platform**; in International Class 42.

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because Opposer consents thereto, it is **APPROVED** and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is **DISMISSED with prejudice**.
