**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of Serial No. 79246916  
For the Mark: TTS KNOWLEDGEFORCE

Market Force Information LLC,

Opposer,

v.

TTS Knowledge Products GmbH,

Applicant.

Opposition No. \_\_\_\_\_

**NOTICE OF OPPOSITION**

Market Force Information LLC (“**Opposer**”), a limited liability company organized and existing under the laws of the State of Delaware and having its principal place of business at 6025 The Corners Parkway, #200, Peachtree Corners, Georgia USA 30092, believes that it is, and will continue to be, damaged by the trademark application for the mark TTS KNOWLEDGEFORCE, Serial No. 79246916 (the “**Applicant’s Mark**”), owned by TTS Knowledge Products GmbH (“**Applicant**”), and hereby opposes registration of such pending application. Opposer alleges as grounds the following:

1. Opposer is the owner of the U.S. registered trademark KNOWLEDGEFORCE®, Reg. #4581191, in connection with “developing customized software in the field of customer relationship management for others; providing a website featuring on-line non-downloadable software that enables users to manage customer information and relationships; manage, analyze, and report on marketing and customer data; and manage sales support and sales information,

excluding personnel placement and recruitment services” in class 42 (“**KNOWLEDGEFORCE®**”). See **EXHIBIT A**, a true and correct copy of USPTO status for **KNOWLEDGEFORCE®**, downloaded by the undersigned from the USPTO TSDR on March 23, 2020.

2. The USPTO granted registration to **KNOWLEDGEFORCE®** on August 5, 2014.

3. Opposer adopted and used **KNOWLEDGEFORCE®** at all times since at least May 21, 2013.

4. Through its widespread and unchallenged use in commerce and as a result of extensive marketing, promotion, advertising and providing **KNOWLEDGEFORCE®** services in commerce since 2013, Opposer’s **KNOWLEDGEFORCE®** services have achieved substantial recognition among the consuming public, have become well-known as identifying Opposer’s **KNOWLEDGEFORCE®** services and have come to symbolize Opposer’s goodwill and good reputation. **KNOWLEDGEFORCE®** has become a valuable asset of Opposer’s extensive goodwill.

5. On information and belief, the Applicant, TTS Knowledge Products GmbH, is a German GmbH company having an address of record at Schneidmühlstraße 19, 69115 Heidelberg GERMANY.

6. Applicant filed its application for trademark registration of Applicant’s Mark (under a 66a basis) on July 20, 2018.

7. Applicant’s Mark was published in the USPTO Official Gazette on September 24, 2019. U.S. for intended use and in reliance on an international registration in connection with:

“IC 009. US 021 023 026 036 038. G & S: Computer programs, in particular customized, multimedia self-study units relating to IT applications of all kinds, authoring tools for creating customized multimedia self-study units relating to IT applications of all kinds, authoring tools for the automated creation of documents and e-learning, all of the aforesaid

including user documentation relating thereto in the form of downloadable electronic publications

IC 041. US 100 101 107. G & S: Providing of training, in particular training courses in the field of the installation, application and maintenance of computer programs; education services, namely, internet based teaching, workshops, seminars and training in the field of the installation, application and maintenance of computer programs, and using computers

IC 042. US 100 101. G & S: Technical consultancy for professional business software; design, development, creation, installation, maintenance, and rental of computer programs and software for information technology; updating and adaptation of computer programs and software for information technology to the needs of the user; computer programming; technical consultancy with regard to the use, application and maintenance of computer programs and information technology software solutions”

See **EXHIBIT B**, a true and correct copy of the USPTO status for Applicant’s Mark, downloaded by the undersigned from the USPTO TSDR on March 23, 2020,

8. On October 24, 2019, November 21, 2019 and January 21, 2020, Opposer filed requests for a 30-day and two (2) 60-day extensions of time with the TTAB, respectively, to oppose Applicant’s Mark. Each of the second and third extension requests were made with the consent of Applicant’s counsel. The Trademark Trial and Appeal Board (“Board”) approved each request. As a result, this Notice of Opposition is timely filed.

9. While the undersigned and Applicant’s counsel have discussed a possible resolution to the parties’ dispute, no resolution has occurred.

10. Opposer has a real interest in the outcome of an opposition proceeding and a reasonable basis for its belief that it would be damaged by a grant of trademark registration for Applicant’s Mark. 15 USC Sec. 1063.

11. Opposer’s first use date for KNOWLEDGEFORCE® of May 21, 2013 and its USPTO trademark application filing date on April 15, 2013 pre-date Applicant’s application and claim of priority for Applicant’s Mark. See **Exhibit A**.

12. The identification of goods and services for Applicant's Mark is broadly stated so as to include the services specified by Opposer's registration.

13. Applicant's Mark is confusingly similar to KNOWLEDGEFORCE®.

14. The dominant feature of both KNOWLEDGEFORCE® and Applicant's Mark is the term "KNOWLEDGEFORCE."

15. Applicant's Mark is highly similar in sight, sound and appearance to KNOWLEDGEFORCE®, has a similar meaning and creates a similar commercial impression.

16. Applicant's goods and services overlap with or are related to Opposer's services.

17. On information and belief, both Opposer's services and Applicant's goods and services are offered in the same or similar trade channels and have the same or similar potential customers.

18. Applicant's Mark, when used for Applicant's goods and services, is confusingly and deceptively similar to KNOWLEDGEFORCE® such that consumers are likely to be confused, deceived, or will be mistaken into believing that Applicant's goods and services, proffered and sold under Applicant's Mark, originate from or are otherwise authorized, sponsored by, licensed from or associated with Opposer.

19. Registration of Applicant's Mark would damage and/or injure Opposer.

20. The registration of Applicant's Mark would prevent Opposer from exercising exclusive control over the goodwill and reputation associated with the KNOWLEDGEFORCE® mark.

21. Any defect, objection or fault with Applicant's goods and services marketed or sold in connection with Applicant's Mark will reflect upon Opposer and, in turn, will injure the valuable reputation and goodwill that Opposer has established with the KNOWLEDGEFORCE® mark.

22. Registration of Applicant's Mark will also damage Opposer because such registration would grant a statutory right to Applicant in violation of the prior and superior rights of Opposer and would unduly narrow the scope of protection afforded to the KNOWLEDGEFORCE® mark in contravention of 2(d) of the Lanham Act, 15 U.S.C. Sec. 1052(d).

**WHEREFORE**, as alleged herein, Opposer deems that it is, has been and will continue to be damaged by Applicant's Mark and requests that this Notice of Opposition be sustained and Applicant's application to register TTS KNOWLEDGEFORCE be refused.

This Notice is being submitted electronically with payment for the filing fee along with a request to consolidate this Opposition action with Opposer's contemporaneously filed Petition to Cancel.

Dated: March 23, 2020

Respectfully submitted,

*es/Judith A. Keene/*

Notice of Opposition  
TSDR for KNOWLEDGEFORCE®

**BULK DATA:** Since May 7 at 12 a.m., the TSDR Application Programming Interface (API) has not included all information. Images of trademark registration certificates issued since July 2016 and some office actions are absent in the API. Customers who need to retrieve a copy of a registration certificate or an office action should download it directly from the TSDR documents tab.

**INTERMITTENT SYSTEM ISSUES:** Due to high-volume usage, you may experience intermittent issues on the Trademark Status and Document Retrieval (TSDR) system between 6 – 8 a.m. ET. Refreshing your web browser should resolve the issue. If you still need assistance accessing a document, email [teas@uspto.gov](mailto:teas@uspto.gov) and include your serial number, the document you are looking for, and a screenshot of any error messages you have received.
