**MOTION FOR SUSPENSION PENDING DISPOSITION  
OF COPENDING APPLICATION**

---

Integra Biosciences AG (“Opposer”) requests that this proceeding be suspended until the full completion of European Union Opposition No. B 003081526 for European Union trade mark No. 018001445, including all appeals. This motion is filed under 37 CFR 2.117(a) and TBMP 510.02(a).

Opposer’s successful central attack of Applicant’s International Registration 1484830 will render this opposition moot.

Applicant filed US Application No. 79/266239 (the ‘239 Application”) on June 18, 2019 under Section 66(a) for INTEGRALINE as an extension of protection of International Registration No. 1484830. European Union trade mark No. 018001445 filed on December 18, 2018 is the base application for International Registration No. 1484830. As indicated above, EU trade mark No. 018001445 has been opposed by Integra Biosciences AG (“Opposer”). A decision was issued by the Board in EU Opposition No. B 003081526. A Notice of Appeal was filed by Opposer on January 26, 2021, and a Statement of Grounds of Appeal was filed by Opposer on March 27, 2021.

Integra Biosciences AG has requested Applicant to consent to this motion, but Applicant has not consented.

TBMP 510.02(a) cites the following precedent as supporting suspension under circumstances similar to the circumstances in the current proceeding: *Birlinn Ltd. v. Stewart*, 111 USPQ2d 1905, 1909 (TTAB 2014) (Board suspended proceedings pending receipt of pleadings and other documentation to determine whether proceeding in the United Kingdom may have a bearing in Board proceeding); *Marie Claire Album S.A. v. Kruger GmbH & Co. KG*, 29 USPQ2d 1792, 1793-94 (TTAB 1993) (opposition suspended pending decision of German court on validity of foreign registration which is the basis of the U.S. application involved in the opposition).

Integra Biosciences AG has provided an e-mail address herewith for itself and for the Applicant's counsel so that any order on this motion may be issued electronically by the Board.

Respectfully submitted,

Date: March 30, 2021
