Opposition No. 91263472

Neal Technologies, Inc.

v.

Bulletproof Automotive, LLC

Rochelle Adams, Paralegal Specialist:

On September 30, 2020, Applicant submitted its consented motion to amend its application Serial No. 88406429, which is noted.

The Board notes that the parties' proposed amendment failed to include a "redlined" copy of the full proposed identification of services. Accordingly, the parties are allowed until ten (20) days from the mailing date of this order to file a "redlined" copy of the proposed amendment which clearly indicates which words should be added and which words should be deleted, failing which proceedings will be resumed and the motion to amend will be given no consideration. *See* Trademark Rule 2.74(a).

Proceedings are otherwise suspended.
