§

Mark: MAXXUS

Application No.: 79282117

NOTICE OF OPPOSITION

Opposer TRAXXAS, L.P. (“Opposer”), a Texas limited partnership with a place of business at 6250 Traxxas Way, McKinney, TX 75070, believes it is or will be damaged by the registration of the MAXXUS mark and hereby opposes the same.

As grounds for relief, Opposer alleges as follows:

1. Opposer TRAXXAS, L.P. (“Opposer”) is engaged in the business of the manufacture, sale and distribution of radio-controlled model vehicles and parts therefore (“Opposer’s Goods”), as well as related goods and services.

2. Opposer and its predecessors in interest have, since at least July 10, 1986 used and Opposer continues to use the mark “TRAXXAS” to identify, advertise, and promote Opposer’s Goods. Opposer registered its mark TRAXXAS on February 6, 2007 (Reg. No. 3205399) for the same goods after an application for registration was filed on November 3, 2005, and such registration is valid. Opposer’s right to use its TRAXXAS mark has become incontestable. A current status copy of Reg. No. 3205399 is attached and pleaded into the record.

3. Opposer and its predecessors in interest have, since at least December of 1999 used and Opposer continues to use the mark “MAXX” to identify, advertise, and promote Opposer’s Goods. Opposer registered its mark MAXX on January 2, 2007 (Reg. No. 3191106) for the same goods after an application for registration was filed on December 15, 2004, and such registration is valid. Opposer’s right to use its MAXX mark has become incontestable. A current status copy of Reg. No. 3191106 is attached and pleaded into the record.

4. Opposer and its predecessors in interest have, since at least November 28, 1999, used and Opposer continues to use the mark “T-MAXX” to identify, advertise, and promote Opposer’s Goods. The T-MAXX mark was registered on November 7, 2006 (Reg. No. 3169710) for the same goods after an application for registration was filed on December 15, 2004, and such registration is valid. Opposer’s right to use its T-MAXX mark has become incontestable. A current status copy of Reg. No. 3169710 is attached and pleaded into the record.

5. Opposer and its predecessors in interest have, since at least December 4, 2000, used and Opposer continues to use the mark “E-MAXX” to identify, advertise, and promote Opposer’s Goods. The E-MAXX mark was registered on May 12, 2009 (Reg. No. 3619270) for the same goods after an application for registration was filed on October 7, 2008, and such registration is valid. Opposer now owns the E-MAXX mark, and Opposer’s right to use the E-MAXX mark has become incontestable. A current status copy of Reg. No. 3619270 is attached and pleaded into the record.

6. Opposer and its predecessors in interest have, since at least July 17, 2009, used and Opposer continues to use the mark “MINI MAXX” to identify, advertise, and promote Opposer’s parts for radio-controlled model vehicles. The MINI MAXX mark was registered on

October 13, 2009 (Reg. No. 3697101) for the same goods after an application for registration was filed on July 15, 2003, and such registration is valid. Opposer now owns the MINI MAXX mark, and Opposer's right to use its MINI MAXX mark has become incontestable. A current status copy of Reg. No. 3697101 is attached and pleaded into the record.

7. Opposer has since at least November 20, 2015, used and continues to use the mark "X-MAXX" to identify, advertise, and promote Opposer's Goods. Opposer registered its mark X-MAXX on December 27, 2016 (Reg. No. 5110758) for the same goods after making an application for registration on August 21, 2015, and such registration is valid. A current status copy of Reg. No. 5110758 is attached and pleaded into the record.

8. Opposer has since at least November 20, 2015, used and continues to use the mark "XMAXX" to identify, advertise, and promote Opposer's Goods. Opposer registered its mark XMAXX on December 27, 2016 (Reg. No. 5110764) for the same goods after making an application for registration on August 25, 2015, and such registration is valid. A current status copy of Reg. No. 5110764 is attached and pleaded into the record.

9. It has come to the attention of Opposer that the applicant Maxxus Group GmbH & Co. KG ("Applicant") has applied for registration of the standard character mark MAXXUS in the United States Patent and Trademark Office, as shown in U.S. Application Ser. No. 79282117 (the "Application"), having a filing date of January 16, 2020. The Application for the MAXXUS Mark seeks registration for Games equipment, namely playing cards, chips, gaming tables and gaming cloths; toys and playthings, namely scooters, robots, toy gliders; gymnastic and sporting articles, namely gymnastic benches, gymnastic apparatus, sleds being sports articles, waist trimmer exercise belts being sports articles; gymnastics and sports equipment, namely basketballs, footballs, lacrosse sticks; gymnastic and sporting articles, namely bar-bells,

exercise bars, weight lifting plates, racks for holding dumbbells, stands for weight lifting plates, exercise weights, kettlebells, stands for kettlebells, exercise benches, back muscle exercise equipment, benches for bench press, stomach exercisers, treadmills, crosstrainers, ergometers, rowing machines, apparatus and equipment for weight lifting, namely weight lifting machines, hand and finger trainers, namely strength and dexterity trainers, aerobic fitness steppers, gymnastic balls (“Applicant’s Goods”) in International Class 028.

10. Applicant seeks to register the MAXXUS Mark for Applicant’s Goods in International Class 028 as evidenced by the publication of the Application in the Official Gazette on June 16, 2020.

11. Prior to the filing date of the Application, Opposer and its predecessors in interest established a family of MAXX marks including at least the MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, and XMAXX marks. All of the MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, and XMAXX marks include the same distinct family feature of the term “MAXX.” Opposer and its predecessors in interest have used and promoted the MAXX family of marks together for radio-controlled model vehicles and parts therefor to create among purchasers an association of common ownership, source, affiliation, sponsorship, or approval.

12. Opposer has expended, and continues to expend, substantial efforts and sums advertising and promoting Opposer’s Goods offered in connection with the MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX marks, and Opposer’s MAXX family of marks. Opposer has acquired and now enjoys substantial goodwill and a valuable reputation under its MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX marks, and MAXX family of marks. Opposer's MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX marks,

and MAXX family of marks have become well known within the trade and among the relevant consuming public.

13. Prior to the filing date of the Application, the MAXX and TRAXXAS marks have been conjointly used and displayed together on goods, packages, advertisements and in other promotions and marketing. Such conjoint use, display, promotion and marketing of the MAXX and TRAXXAS marks together has caused the purchasing public to associate the MAXX and TRAXXAS marks and recognize that they jointly distinguish the radio-controlled model vehicles and parts therefor on which they are used and identify a common source, affiliation, sponsorship or approval of the goods.

14. The MAXXUS Mark is confusingly similar to Opposer's MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX marks, Opposer's MAXX family of marks, and Opposer's conjoint use of the MAXX and TRAXXAS marks when the marks are viewed as a whole, in connection with the associated identification of goods.

15. The identification for Applicant's Goods under the MAXXUS mark is without any restriction as to nature, type, channels of trade, or classes of purchasers. The identification for Applicant's Goods is therefore presumed to encompass and travel in the same channels of trade to the same class of purchasers as those of Opposer's Goods sold by Opposer under the MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX marks, Opposer's MAXX family of marks, and Opposer's conjointly used MAXX and TRAXXAS marks.

16. By virtue of Opposer aforementioned prior and senior rights arising from the registration and use of the Opposer's TRAXXAS, MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX marks, Opposer's MAXX family of marks, and Opposer's conjoint use of the MAXX and TRAXXAS mark, Applicant is barred from obtaining a registration of the

MAXXUS Mark, because the use and attempt to register by Applicant of the MAXXUS Mark for the Applicant's Goods, without authorization by Opposer, will create a likelihood of confusion, under Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d), including, without limitation, that there exists a common source, affiliation, approval, or sponsorship with the goods provided by Opposer in connection with its marks, families of marks, and conjointly used marks.

17. Upon information and belief, on the filing date of the Application under §66(a) of the Trademark Act, Applicant lacked the required *bona fide* intent to use the MAXXUS mark in commerce on "Toys and playthings, namely scooters, robots, and toy gliders." The Application should therefore be amended to delete "toys and playthings, namely scooters, robots, and toy gliders" identified in Class 028.

18. Upon information and belief, on the filing date of the Application under §66(a) of the Trademark Act, Applicant lacked the required *bona fide* intent to use the MAXXUS mark in commerce on "Games, toys and playthings" as identified in the original identification of goods in Class 028 when the application was filed. The Application should therefore be amended to delete all the goods identified in Class 028 as "Games equipment, namely playing cards, chips, gaming tables and gaming cloths." The Application should therefore also be amended to delete all goods identified in Class 028 as "toys and playthings, namely scooters, robots, toy gliders."

Wherefore, for all of the foregoing reasons and for such other reasons as the Board determines are appropriate, Opposer respectfully prays that this Opposition be sustained, and the registration of U.S. Trademark Application No. 79282117 be refused in Class 028.

Dated: July 8, 2020

Respectfully Submitted,

/s/ Gregory W. Carr
