**CONSENTED MOTION FOR 30-DAY SUSPENSION
AND REPORT TO THE BOARD**

Pursuant to 37 C.F.R. § 2.117(c) and in accordance with the November 1, 2022 Order issued in this proceeding, Exxon Mobil Corporation (“Applicant” or “ExxonMobil”) hereby requests that the deadlines in this proceeding be extended for a period of thirty (30) days. Opposer’s counsel consented to this motion on November 16, 2022.

The parties note the Board’s requirement that they provide a progress report in connection with further requests for extension or suspension in this proceeding. Since the Board’s November 1 order, the parties have continued to diligently engage in settlement negotiations on a worldwide basis to resolve the present opposition, have exchanged communications specifically related to settlement negotiations on November 15, November 16, and November 18, 2022, and have now agreed on the form of a written settlement agreement based on the settlement discussions between the parties. The parties are working to executed the written agreement, and propose attempting to complete the process within the next 30 days, with the possibility that finalizing resolution may continue after that timeframe.

The parties have been making a good-faith effort to negotiate an agreement in this matter and will continue to do so. The parties submit that the requested extension is not made for the purpose of delay, but rather to facilitate finalizing settlement discussions and to conserve the resources of the

parties and the Board.

In light of the foregoing, Applicant respectfully requests that the Board grant this motion, and reset the dates as detailed below:
